Dear Sara,

I'm pleased to announce that PowerShift PAC (formerly known as Iowa Women for Progressive Change) has finalized our 2020 Election Endorsements and you've made our list! Our goal is to increase the number of progressive womxn running for state and local office, particularly those from marginalized groups, and we can only do it if candidates like you step up for everything from school board to governor.

We are excited to share that we plan to endorse you and provide financial support in the amount of \$250.00. We look forward to working with you as we create a network of supporters interested in providing funding, volunteering, and in-kind services. The goal is to not only increase the number of womxn running for office, but to expand the field of candidates to include womxn with varied backgrounds and perspectives.

Enclosed you will find a check written out to your campaign. You can also find our logo (for your use on social media and other platforms) at our website: www.powershiftpac.com (feel free to clip and paste the logo from our webpage). We hope you will include us in your list of endorsements on your web site as well!

We will also post your photo and other information (from your campaign site), along with a link to your campaign on our Facebook Page (power x shift).

Sincerely,

Lisa Bender, Treasurer
