Dear Sara:

We are pleased to inform you that the Iowa Chapter of the Sierra Club has endorsed your candidacy for the 2020 election cycle. We are pleased to support your campaign in appreciation of your demonstrated commitment to protecting Iowa's environment.

Since our founding in 1892, the Sierra Club has protected America's wild places and wildlife. In addition, the Club works to protect public health and ensure safe and healthy communities that are free of toxic air and water pollution. Additionally we work to promote sustainable agriculture. The Iowa Chapter and its over 6500 members and supporters work to support candidates who share these values.

We encourage you to contact me at cwinterwood@yahoo.com or our Director at pamela.mackey.taylor@sierraclub.org to learn more about how our members can become involved with your campaign. Our local and state volunteers will be happy to discuss opportunities to publicize the endorsement, offer expert knowledge on environmental issues, organize events, and explore other ways to support your campaign.

As your campaign has now been endorsed in this election cycle, your campaign may use the Sierra Club Political Endorsement Seal for campaign purposes. To access the Club's endorsement seal, please go to <https://www.sierraclub.org/sierra-forms/endorsement-seal-request> and fill out and submit the Sierra Club Candidate Endorsement Seal Agreement.

We wish you success in your campaign and look forward to working with you to protect Iowa's air, water and land for our families and our future.

Sincerely,

Charlie Winterwood
Political Committee Co-Chair
