

Danza Bolo Kennels

Lemonade Health Insurance Information

<https://lemonade.com/r/angel&walterharris>

The best pet insurance for puppies and kittens!

We created a preventative care package designed especially for the youngest members of your fur fam. It covers important procedures like spaying or neutering, microchipping, flea medication, and up to six vaccines or boosters.

Pet insurance plans you actually want!

Carefully crafted in collaboration with our vet team and lots of excited pet parents.

- **DIAGNOSTICS** - Blood tests, urinalysis, x-rays, MRIs, labwork, CT scans, and ultrasounds
- **PROCEDURES** - Outpatient, specialty and emergency care, hospitalization, and surgery
- **MEDICATION** - Injections and prescription meds

Huge savings on wellness and preventative care!

Save \$\$ on your routine trips to the vet.

No deductible.

No waiting period.

- **WELLNESS EXAM** - Annual physical checkup for your pet
- **WELLNESS TESTING** - Covers parasite, heartworm, and blood tests
- **VACCINES** - Up to 3 vaccines such as Rabies, DHLPP, and Bordetella
- **ROUTINE DENTAL CLEANING** - Including dental x-rays, anesthesia, polishing, and more
- **FLEA/TICK OR HEARTWORM MEDICATION** - Protection for your pet from common pests
