

Quick Guide: Filling Out Your PDF on iPhone

Step 1: Save to Files

- Tap the Share button.
- Select 'Save to Files'.
- Open the Files app and find your document.

Step 2: Activate Form Mode

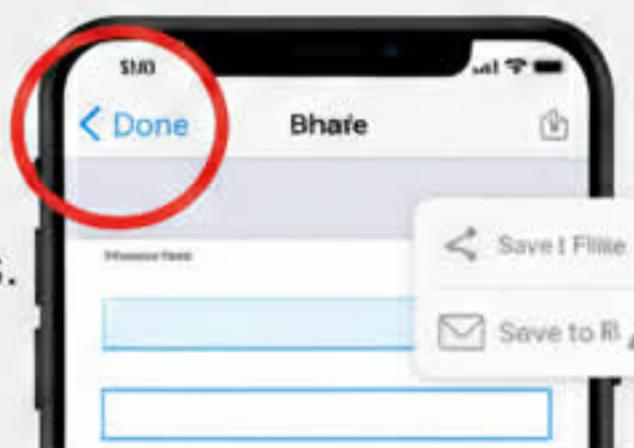

Or, tap the 'Markup' icon if it's not visible (it's the fourth icon from the left).

Tap the Form Filling icon. Look for one of these:
This will make form active!

Step 4: Save & Tap and Type

- Tap any blue-highlighted line to type.
Use 'Next' on the keyboard to jump fields.

Tap and Type

- Tap 'Done' to save. Use the Share icon to email or upload.
