OPEN FORUM – POST PANDEMIC CHALLENGE: NEW ECONOMY AND TECHNOLOGIES

10 Dec, 2022 (Sat)

13:00PM - 18:45PM

V322, 3/F, Jockey Club Innovation Tower (Block V), The Hong Kong Polytechnic University

The COVID-19 pandemic has changed the way people live and work in the last few years. While the pandemic is near the end, the world demands new form of economic partnerships, business models, and advanced technologies. This open forum organized by the Department of Computing (COMP), The Hong Kong Polytechnic University, invites scholars and professionals to share their opinions on how the new world should be constructed after the pandemic, for Hong Kong, and beyond.

Enquiry: Dr Walter S. L. Fung (walter.fung@polyu.edu.hk)
Language: Mainly Cantonese (以粵語為主), supplemented by English slides
Registration: https://polyu.hk/vQZnK (Deadline: Sunday December 4 of 2022)
