REIGNING WITH RAINE 2.0

So much to be THANKFUL for ...
I'm THANKFUL for my (bio/chosen)family..
I'm THANKFUL for opportunities ..
I'm THANKFUL for health and well being ..
I'm THANKFUL for connections ..

I started this month in OKC giving back working a benefit for I.C.A.O court where we raised 1200.00 for the Oklahoma court chapter. Thanks for including me as MGAOF, Jay Gable and court and look forward to fundraising with you all again.

Then my next stop was off to Virginia with Florence to celebrate the Gay United States Pageantry week where I got to perform, host , and celebrate the reigns of the outgoing court as well as welcome in the newest jewels to the crown. As ALWAYS Thank you GUS,The Park, and friends family and fans of ROANOKE for your love for me! It's always a good time coming back as a forever and camaraderie is always the best part.

I returned back to Oklahoma to start the premiere of FEMME POWER in OKC at Frankies !
Oklahoma really showed out for the femmes and I was over the moon with the support you all showed us. This show celebrates womanhood in the drag business and we are off to a great start doing so. Our next FEMME POWER stop will be in Tulsa so be on the lookout for details.

Finished off the rest of my month working and preparing for Miss Gay America Femme in January which is quickly approaching. The time for all hands on deck is now, so if you like to support my journey to MGAOF please follow my socials for ways to support.

Oklahoma I hope you all had an amazing Thanksgiving holiday and remember there are tons of things to be THANKFUL for !

Until next time
All my love ,
Londenn, MGOAF 2025
