LONDENN AND FORMERS

WOW!

Who would've thought I would be making a Miss Gay Oklahoma America newsletter again.

It's been 15 years since I've been MGOA 2010, and let the dream dim of me ever wearing the shiny gold AB crown again.

I'm overjoyed and humbled to become the inaugural Miss Gay Oklahoma America Femme 2025 and look forward to helping build this division in our state .

Also, pleased to make national MGA history by becoming the first femme state titleholder to carry both Miss and Femme under the same state franchise.

When I think of Miss Gay Oklahoma America, I think of my introduction to the pageant watching old video tapes in 2000 and watching legacy and talent and knowing one day I would have the chance to become one of those staples. Moving forward 10 years in 2010 I made that dream reality and captured my spot in the timeline of MGOA! Now 15 years later watching others chase the dream of excellence, I return back as my authentic self with a chance to chase my dreams. I was asked in interview why do I keep returning to MGA and the answer for me was simple it's my foundation, its the place that taught me how to be a competitor, how to conduct business, how to resolve conflict, how to entertain, and how to sisterhood. All qualities I still utilize to this day and all qualities I will use this season as MGOAF.

This year, I want to use my platform to make new spaces for femme entertainers both trans/AFAB. Coming out to compete the night after MGOA let me know there is work to be done to get the same love for us femmes. We work just as hard, we support just as much and entertain just as well. I'm looking at accomplishing this goal by working with venues in Oklahoma in our major cities of Tulsa, OKC and Lawton, each month to bring all femme based variety talent to each city during my reign to help build and celebrate our women of entertainment.

So, be on the lookout for FEMME POWER coming to your city.

Also, I want to use my years of experience to help all who compete for GAY OKLAHOMA AMERICA pageants no matter the division. I have watched and kept up with the system since 2000 and am willing to offer guidance on your journey so don't hesitate to reach out for help and bounce off ideas to help build your dream package. Remember kids closed mouths don't feed !

Well after my win I returned to my drag work week and hosted our monthly Supreme Tulsa with our guest judge our new MGOA Yakisoba ZM Brooks. CONGRATULATIONS again and welcome to the sisterhood. Also want to give a big shout out to the rest of TEAM OKLAHOMA Alanna Paige and Kallaya Minaj, I look forward to a great trip to MGA/MGAF with this group. Then on to Nebraska for some booking THANKS Das HAUS for showing the OFA a grand time and letting me participate in your drag events.

Now, I'm focused on working and raising as much funds for my trip to Little Rock, AR. which will be hosting the Miss Gay America Femme 2026 on January 15 and 17. I hope you will follow Team Oklahoma journey as we battle to become the national symbols of excellence.

Lastly, if you ever wanted to ask me a DRAG/ENTERTAINMENT question here's your chance follow Miss Gay Oklahoma America FEMME facebook page and ask your question.

I will answer your question next month in my ASK LD section of the newsletter.

Until next time

All my love,

Londenn
