

2022 READ WIN RACE PARENT INFORMATION

The 2022 Read Win Race Program is underway! The program will kick-off April 8th and go through May 6th. You are urged to encourage your student to read at home, then color one of the numbered spots for each level of reading minutes completed (16 spaces per sheet). Each take home sheet will be available online and due back as soon as completed. When students turn in the completed Take Home Reading Sheet, they will receive the prize for that sheet! It is very important that students make sure to turn in their Take Home Reading Sheets. It is also important as each prize is only good for the sheet it is on, and to be able to receive the grand prize, students must complete all three sheets in sequential order.
