Psychology

Adult nursing

Social policy

Sports & Health

Criminal justice

And so much more...

The Archbishops' Young Leaders Award

VISION

the Archbishops' Young Leaders Award is a fully resourced leadership and character education programme designed to both enhance and form part of the Post 16 curriculum. It offers an exciting opportunity for our young people to:

- Engage in new learning experiences
- Grow in leadership, character and key life skills
- Discover the benefits of helping others

ACTION

As part of the Awards students are empowered to 'Be the change you want to see', taking action and serving others in the community through different challenges. Students will:

- Take part individually in the projects in the community
- Be involved in team projects in the Post 16 community
- Through outreach into the wider community on a local, national or global scale.

LEARNING

All teaching materials and resources are provided to allow students to:

- Explore and identify their leadership skills, character virtues and the importance of serving others
- Investigate the stories and impact of great leaders in society
- Examine the role they can play to bring unity to their communities, supporting and looking after the most vulnerable
- Develop the skills required to lead others and work effectively in a team.

Hands on Learning!

We understand classroom based learning isn't for everyone and so we offer a wide range of vocational training and placements.

We have 3 different training provisions away from our main hub at Logic House these include:

- Sports
- Construction
- Allotment
- Motorcycle Maintenance

Our beauty provision is currently onsite at Logic House.

Here you can work practically learning vital life skills such as growing your own vegetables, or learning how to complete DIY in your home along with one of our regulated courses to help you gain vital qualifications needed for your next transition.

Key Worker

What is a key worker?

Your key worker is a member of staff selected within the first 6 weeks of you being with us. This is the person you naturally gravitate towards and feel comfortable with. For your initial first weeks our senior mental health lead will act as your key worker until you are ready to transition.

What help can they give me?

Your key worker will act as your mentor, you will complete a minimum of 1 session per week which is scheduled into your time table, here you will set goals and check in to see how the week has gone. You may wish to talk through areas you loved or areas where you feel you need further support. Your key worker can support you through breaks and dinners if you feel particularly anxious during this time of the day.
