

HERMANA MUERTE

MARIA PIA MOSQUERA

IN COLLABORATION WITH MACGYVER MODELS

You fall to pieces

Reap what you sow

Bad luck!

Smoking, drinking
– the good stuff

You don't know
how to feel

The dream of
reason produces
monsters

You let yourself go
to the music

The other side –
Transition

You fall in love

You get eaten by a
shark! – it happens

Born - Reborn

You drift, you float

Ouroboros –
eternal cycle
of destruction
and rebirth

Eye –
life goes in the
blink of an eye

Fire – Limbo!
Spin again

INTERPRET AS YOU WISH
