

Yá'át'ééh (Hello), Skug Tas (Good Day),

We are excited to announce the orchestration has begun for the first inaugural Indigenous Tattoo and Music Fest. This three-day event will be held on the beautiful Arizona desert landscape of the Gila River Peoples at Vee Quiva Hotel & Casino in Laveen, AZ. during Indigenous People's Day weekend, October 6-8th 2023. This event will provide an opportunity for the public to sit down with the best Indigenous Tattoo Artists in North America, and also experience some of the top traditional and contemporary Indigenous musicians today.

Our team consists of Event Planners, Production Coordinators, and Tattoo Artists - a group of entrepreneurs, with 20 years of experience in their respective professions, which will collectively produce the best event that reaches interest in all parts of society. A showcase and access to some of the most talented Indigenous artists is an experience that the public will enjoy.

With a Social Media reach of over half a million, between the artists, musicians and producers, we will be able to highlight you and your brand via various media options. Your company will get mention and logo placement in all our major displays and ads of the event, in the media and in the venue.

As amazing as this show sounds, we need partners as yourself in bringing this vision to life and we hope to capture your support. Will you consider becoming a sponsor of the first all Indigenous Tattoo and Music Fest? If this is something you would be interested in supporting , we would love to hear back from you.

A portion of this event's proceeds will be donated to help contribute to the advancement of the Arts within Indigenous communities.

Please consider one of the following sponsorship packages, or if you would rather make a donation that would be greatly appreciated.
