CIVIC LIFE 2026

WHY CIVICS?

A government "of the people" can only exist if the people understand how their government works, and are willing to participate in it. Teaching civics is the pathway for meeting both of those goals.

-Lora DeSalvo, Curriculum Associate, iCivics

PURPOSE OF THE PROGRAM

Educating students in Elementary & High Schools on their roles and responsibilities as active citizens.

- To engage youth in civil discourse
- To cultivate leadership skills through project-based learning
- To provide a high quality civic learning opportunity where youth are free to express themselves and talk about the issues that matter to them the most
