## Off-Lead Walking & GPS Tracker Requirement

Wag & Stay may walk dogs off lead in safe and appropriate areas where it is considered suitable for the dog.

Owners requesting that their dog be exercised off lead must confirm that their dog has reliable recall and is suitable for off-lead walking.

For additional safety, Wag & Stay may require that dogs walked off lead wear a live GPS tracking device, such as Tractive or a similar real-time tracker, during walks. (not apple airtag)

Owners requesting off-lead walks may be asked to:

- Provide a fully charged and functioning GPS tracker
- Ensure the device is securely fitted to the dog's collar or harness
- Ensure the tracker is active and connected

Off-lead walking may be permitted at the sole discretion of Wag & Stay where we are satisfied with the dog's recall, behaviour, and overall suitability. Wag & Stay reserves the right to exercise professional judgement at all times and may require any dog to remain on a lead where it is considered safer, more appropriate, or in the best interests of the dog, other animals, members of the public, or household.

YES – My dog may be walked off lead where appropriate

NO – My dog must remain on lead at all times
