# THE LIVE WIRE SHOW

## FEATURING DJ KIDD STAR

Aaron Payes, known professionally as DJ Kidd Star, is one of Atlanta's most in-demand DJs and live event performers, with over 15 years of experience bringing world-class entertainment to audiences across the country and beyond. DJ Kidd Star delivers an unmatched combination of musical skill and technical precision that makes every performance unforgettable.

DJ Kidd Star currently serves as the official DJ for the Atlanta Falcons and the Dirty Bird Breakers, performing live on game days! He is also a Billboard-charting artist and international DJ, a true creative force to be reckoned with. As a nationally syndicated mix-show DJ, his sets are broadcast on FM and satellite radio stations throughout the U.S., where his exclusive remixes reach coast to coast. His music production talents have been featured by the NFL, NBA, WNBA, and NHL, energizing and engaging fans at every level!

He is the mastermind behind *The Live Wire Show*, an all-inclusive entertainment package designed to elevate upscale private events into immersive, production-grade experiences. *The Live Wire Show* blends technical mastery with showmanship to create a celebration that's high-energy, flawlessly executed, and totally unique.

When DJ Kidd Star steps behind the booth, he is not just playing music, he is curating an experience! His presence guarantees the most fun, the most energy, and the most memorable night possible. With a deep understanding of crowd psychology, timing, and production design, he transforms every event into a celebration your guests will never forget!

### **LIVE WIRE SHOW PACKAGE NOTICE**

The Live Wire Show Entertainment Package starts at **\$13,500**. The base package features our high-energy performance team, along with one professional Emcee of your choice: A\$H-Money, Rikki the Fool, or Toto. Should you prefer a different Emcee outside of this lineup, we are happy to accommodate your request. Please note that this will result in an additional fee, determined by the Emcee’s availability and scope of involvement.

To ensure a seamless event experience, the Live Wire Show requires a full day of setup prior to the scheduled event date. This advance setup allows our team to complete technical preparations and conduct sound and lighting checks. Should your event require setup, execution, and breakdown to occur all within a single day, additional expedited service fees will apply. We strongly encourage early coordination to allow adequate time for planning and logistics.
