

7/31/24

Dear Water Board Members,

I would like to apply for the vacant position on the Gasquet Community Service District Water Board.

My name is Heather Blankenship and I have been a resident of Gasquet for the past 17 years (I moved here in June of 2009) and I reside at 925 Gasquet Flat Road.

I don't have any first hand knowledge of water or water treatment (although my best friend is the Head Water Treatment Operator at Whiskeytown National Park and I know she would be willing to lend us any of her expertise regarding water treatment, safety, regulations, etc. if we were ever in need of that.)

I work as a psychotherapist and one thing I can bring to the table is the ability to listen to all viewpoints and negotiate better understanding between people with differing opinions.

I am passionate about our little community here in Gasquet and would be excited (and honored) to be able to give back to a place and wonderful people that make Gasquet so special.

Finally, I understand the Board meets monthly, and I do bake a fairly mean chocolate chip cookie if I don't say so myself, and I'd be willing to bring them (or other cookies) to the meetings.

Thank you for your consideration.

Sincerely,

Heather Blankenship
