

#1 ACT

The Tall Ships is an unique opportunity to see a 80 to 110 metres long and 3 and 4 masts will open their decks for the companies to host their corporate actions. Unique VIP hospitality events allow brands to engage with their customers and employees on board the Tall Ships in each host city. As well as international visibility it helps connect key stakeholders with the spirit of the event.

#2 ACT

Where poetic storytelling meets offbeat architecture.

The Fountain of Dreams is a permanent nighttime spectacular. This exciting attraction is a symbol of modernity and an icon of contemporary culture.

By day, the tower is a soaring inspirational sculpture standing out in every dimension. It's a true 360° icon that dominates its setting. By night, the landmark transforms into a spectacular multimedia feast for the senses combining architecture, light, sound, video, water and dazzling effects.

#3 ACT

themed show that will really
impress guests.

12 ACT

Aqua Graffiti is a project that aims to create a material made of thousands of LEDs which lights up when touched by water. When it touches the frame of a LED, water creates an electrical bridge bringing the power required to light up the LED embedded under the surface. The wetter it is, the brighter it gets.
