

High accuracy and fast stabilisation time

Featuring LED touch technology and 12 built-in applications.

For accurate weighing results you can trust time after time, guaranteed via monolithic weigh cell technology. The following balances are suitable for a range of different tasks within the textile laboratory.

Order Code	Model	Capacity	Readability	Pan Size	Draft Shield with Sliding Doors
LBE:001	Analytical Laboratory Balance	60g	0.1mg	Ø 90mm	✓
LBE:002	Analytical Laboratory Balance	120g	0.1mg	Ø 90mm	✓
LBE:003	Analytical Laboratory Balance	220g	0.1mg	Ø 90mm	✓
LBE:004	Precision Laboratory Balance	420g	1mg	Ø 120mm	✓
LBE:005	Precision Laboratory Balance	620g	1mg	Ø 120mm	✓
LBE:006	Precision Laboratory Balance	820g	0.01g	182 x 182mm	x
LBE:007	Precision Laboratory Balance	2200g	0.01g	182 x 182mm	x

For specific requirements, other ranges are available.

Max. Power Consumption: 4 Watts
