Capsules are solid, single-dose forms that can administer powders, granules, suspensions, tablets, pastes, microspheres, and solutions because they are enclosed in a soft gelatin shell. This versatility makes them useful for a variety of pharmaceutical applications.

XC1

Anamu & Llantén

Helps the body get rid of faulty cells and disease, acting as a cancer-fighting supplement.

XC2

Anamu

May help decrease inflammation and pain, strengthen the immune system.

XC3

Artichoke (Alcachofa)

They support optimal detoxification of the liver.

XC4

Banaba (Leaf Extract)

It stimulates the transport of glucose into cells and may help maintain healthy blood sugar levels.

XC5

Bitter Melon Cundeamor

Support cardiovascular function.

XC6

Black Cohosh

Help treat symptoms of menopause, premenstrual symptoms.

XC7

Cascara Sagrada

Helps relieve constipation

XC8

Cat'S Claw

Traditional support for a healthy immune system. Supports joint integrity, movement, and flexibility.

XC9

Chromium

Helps support cardiovascular health. Support healthy blood sugar levels already within a normal range.

XC10

Cinnamon

Supports cardiovascular health and blood sugar metabolism.

XC11

Collagen+ Vitamin C

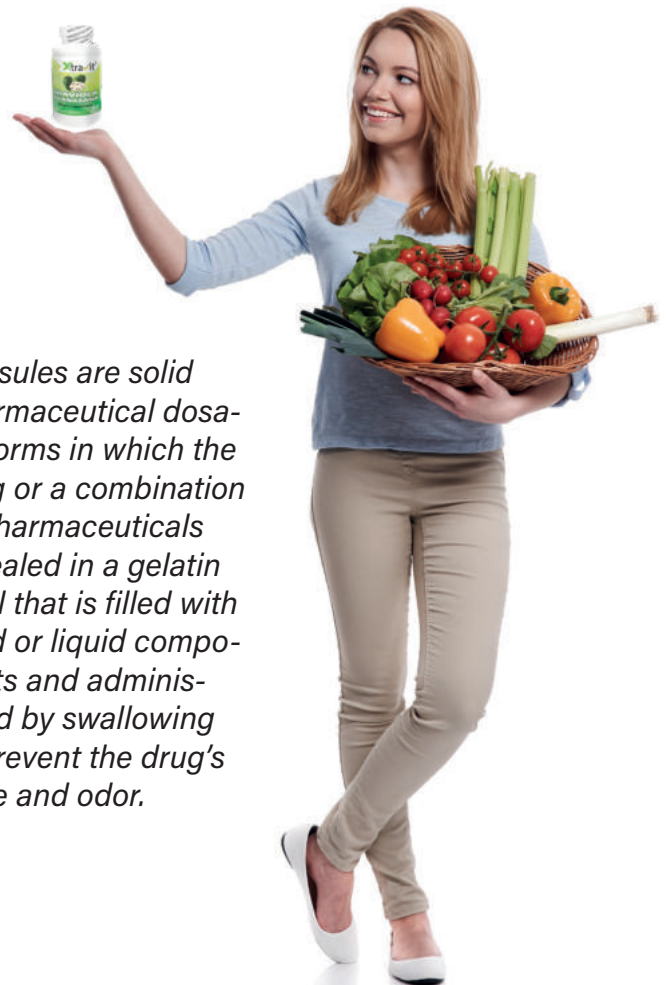

It helps the formation of collagen and a better assimilation in the body.

XC12

Colon Cleanser

Aids in the detoxification and elimination of waste produced by the same food we eat.

Capsules are solid pharmaceutical dosage forms in which the drug or a combination of pharmaceuticals is sealed in a gelatin shell that is filled with solid or liquid components and administered by swallowing to prevent the drug's taste and odor.

XC13

Colostrum

Supports immune and intestinal health.

XC14

Coral Calcium

Helps build and support strong bones.

XC15

Creatine

Supplies energy to all cells within your body, but mostly muscle tissue.

XC16

DHEA

Helps with healthy development and longevity, increased muscle mass, bone deposition, production of male and female sex hormones.

XC17

Echinacea

Immune support supplement.

XC18

Fat Burner

Helps with healthy weight control. Promotes lean muscle development

XC19

Garcinia Cambogia

It aids weight loss by enhancing our body's fat-burning ability and effectively suppressing appetite.

XC20

Ginger (Jengibre)

A fantastic stomach soother and digestive aid.

XC21

Ginkgo Biloba

May help support brain and nervous system health. Traditionally used to promote focus and mental edge.

XC22

Glucosamine Collagen Chondroitin

It can help decrease joint pain from wear and tear, slow bone loss, and increase joint mobility and utility. It can also help with osteoarthritis.

XC23

Glucosamine & Chondroitin Maximum Strength

XC24

Glucosamine & Chondroitin MSM

XC25

Glucosamine & Collagen

It can help keep bones and muscles in normal condition. It can also help improve the appearance of skin, nails, and hair.

XC26

Glucosamina + Vitamin C

XC27

Grapefruit

Supplement to support the balance of intestinal microorganisms and the Gastrointestinal tract.

XC28

Graviola (Guanabana)

Support a healthy immune system, digestive health, and relaxation.

XC29

Guizaso De Caballo

Helps prevent and dissolve the formation of kidney stones (kidney stone)

XC30

Hair Skin & Nails

May help support healthy hair, skin and nail care.

XC31

HGH Max

Helps increase hormonal (GH) levels and muscle stability and nitrogen retention.

XC32

Immune Support

Designed to help protect and support the immune system.

XC33

L-Carnitine

Promotes lean muscle development, fat metabolism, and supports recovery and exercise performance.

XC34

Lactobacillus Acidophilus

Acidophilus can help break down food, absorb nutrients, and fight "bad" organisms that can cause disease.

XC35

Leg Cramp Calambres

Leg Cramps relieves pain and cramps in the lower body, legs, feet, and toes with accompanying nighttime sleeplessness.

XC36

Leg Cramp PM Calambres

XC38

Milk Thistle Silymarin

Increases antioxidant activity, supports liver detoxification and supports healthy liver, spleen, and kidney function.

XC39

Maca

It can help improve sports performance and energy disposition in the long term, increase libido and improve sexual behavior.

XC40

Moringa

Supports the body's defenses against oxidative stress and cell damage.

XC41

Neuro Muscular PLUS

Supports mental clarity, memory, and focus.

XC42

Prenatal

Contain the daily vitamins and minerals you need before and during pregnancy.

XC43

Prostate

Supports healthy prostate function, normal prostate size, and free urinary flow.

XC44

Saw Palmetto

Supports prostate health, aiding healthy flow and frequency of the urinary tract.

XC45

Selenium

An essential mineral that boosts antioxidant activity and heart, brain, immune, and prostate health.

XC46

Shark Cartilage

It can help increase the activity of the immune system.

XC47

Sleep Aid

It relieves occasional sleeplessness and can help you get a good night's rest.

XC48

St John's Wort

It can help treat mild to moderate depression and related symptoms, such as anxiety or insomnia.

"Because most vitamins are not produced by the body, they must be obtained through supplementation."

XC49

Tilo

It can help relieve stress, relax muscles and anxiety, thanks to its sedative powers that calm the nerves.

XC50

Anxiety (Stress Relief)

It can help reduce mild symptoms of stress, such as occasional sleeplessness, restlessness, nervousness, as well as feelings of fear and excitement.

XC51

Valeriana

Calming, relaxing, and sleep-inducing, it helps relax the nervous system and brain.

XC52

Well Male

It can help with strength and stamina, as well as libido and muscle mass.

XC53

Glutenon

May help provide the sustained release of muscle-building amino acids to support muscle growth and recovery.

XC54

Keto Life

It helps to eliminate body fat more quickly, in addition to helping you increase your performance, energy and resistance.

XC55

Keto Coffee

XC56

Stem Cell

Supports healthy cells for anti-aging and longevity.

XC57

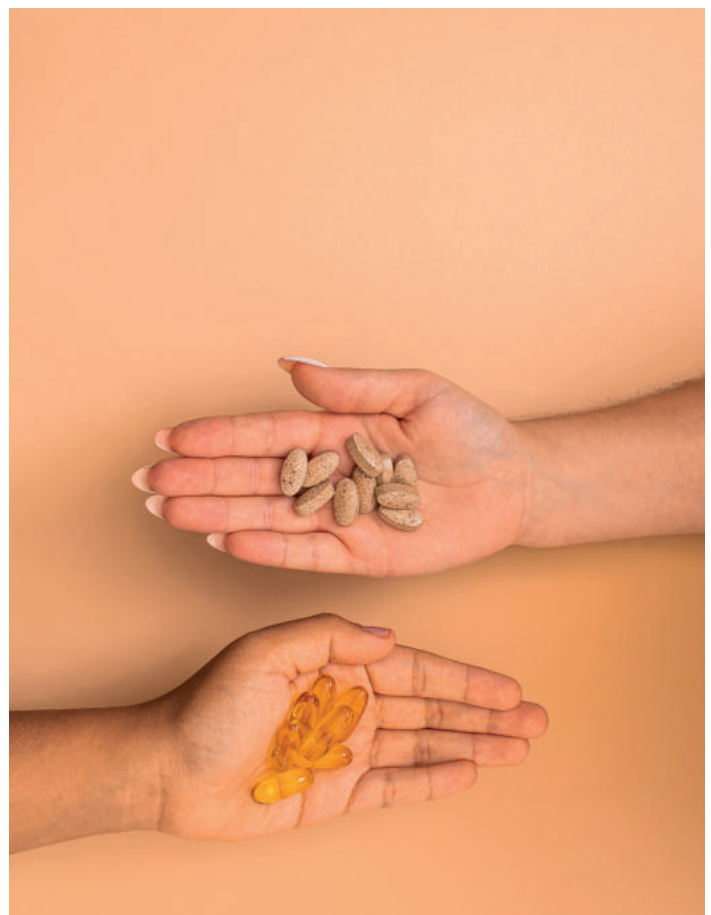

Testosterone Blend Vegan Capsules

Helps develop typically masculine characteristics, maintain sexual drive, sperm production, and bone health.

XC59

Turmeric

Supports healthy digestive and immune system function.
