YOUR BEAUTY STYLE

The New Year is here... & it's time to make some changes to The *Beauty routine*. I was feeling little lost as to which way I should go. A part of me feels a little resistant to a new look after getti...

PROGRESS

Although there was many months of behind the scenes and building our foundation, as of 12.14.2019 we have officially been in business for 6 months. The past 6 months have been a huge learning curve filled with a lot of m...
