The countdown to one of the Caribbean's most anticipated sporting events, the XXXVIII CARIFTA Aquatics Championships, is on! From April 19-23, Trinidad and Tobago will welcome athletes and fans from across the region for an unforgettable showcase of aquatic prowess. We can't wait to reconnect with all our CARIFTA friends and create new memories at this year's event.

## BIG News

We are thrilled to announce that the President of World Aquatics, Husain Al Musallam, will honor us with his presence. He will meet with the Heads of Federations following the grand opening ceremony (3:00 - 5:00pm) on April 18th. This is a prestigious opportunity for all participating countries to engage with one of the leading figures in aquatic sports.

## Transportation

For your convenience, all buses will depart from the hotels at 6:45 am on pool competition days, heading to the National Aquatic Centre (NAC) with a police escort. Departure from NAC will occur in two waves at 11:30 am and 12:30 pm. For evening sessions, buses will leave the hotels at 3:45 pm and return at 7:30 pm and 9:00 pm.
