Please rank (1-7) the following in order of need to increase Indigenous involvement in agriculture. Move all options into the box to the right - box will expand to accept more than 3 items.

	Average Rank	1	2	3	4	5	6	7
Increased access to finance / capital	2.37	[Bar chart showing distribution]						
More training	3.35	[Bar chart showing distribution]						
More information on opportunities	3.94	[Bar chart showing distribution]						
Improved access to land	4.0	[Bar chart showing distribution]						
Greater support	4.22	[Bar chart showing distribution]						
Better understanding of the industry benefits	4.59	[Bar chart showing distribution]						
A network or Indigenous organization	4.95	[Bar chart showing distribution]
