

COULD YOU BE A PARK TENNIS ACTIVATOR?

We Do Tennis is on the lookout for people (of any ability) who love tennis and want to help grow the game at their local park.

Why get involved?

- LTA Free Park Tennis is a new programme that gives more people the chance to play tennis - offering fun, social tennis activity at a local park court near you.
- Sessions are free for all ages and abilities, running for one hour every Saturday or Sunday at 10am by a team of trained volunteers. A.K.A you!
- Park Tennis Activators work together as a team to help more people get active and discover their love for tennis. Training, equipment (and a hoody!) provided.

Interested?
