

DYNAMIC RISK ASSESSMENTS

If you are unsure of detail in our company-wide risk assessment, you can access it [here](#). Ultimately, you as a tennis coach must ensure that your courts are safe prior to every session

Key things to understand:

- 1 **You are responsible** for the health and safety of your players
 - 2 If you deem the conditions to be unsafe, **you reserve the right to cancel your tennis sessions**
 - 3 As stated in our risk assessment, coaches are responsible for ensuring the safety of their players
 - 4 You are expected to **maintain the relevant First Aid, Safeguarding and Accreditation certificates**
 - 5 You must report any incidents that occur [here](#)
