

OXYGEN - THE ULTIMATE NEED OF THE HOUR

The Indian Catholic Association of Central Texas (ICA), USA, through Mr. Austin reached out to us providing 15 Oxygen Concentrators (OCs) which has come as a savior to many requiring emergency medical assistance at home. There are many who do not want to be hospitalized and are having treatment at home, but most need Oxygen. These Oxygen Concentrators from the ICA have come as a great blessing.

We have sent these Oxygen Concentrators along with the stabilizers to our partner organizations and Diocese across many states in India namely Lucknow, Uttar Pradesh, Gorakhpur, Uttarakhand, Nagaland, Tamil Nadu and also to a few places in Navi Mumbai and Mumbai, are looking forward to go beyond and reach out to as many places as we can.

Along with the OCs, we have also provided oximeters, latex gloves, N- 99 masks and some medicines for Covid care, this has been a great help the frontline (Asha field workers in the villages).

Our heartfelt appreciation and thanks to the ICA Central Texas group, for the generosity and interest shown during these times.

Thank you for your constant prayers and support.

Stay safe, stay Blessed!

Rev. Dr. Barnabe Dsouza
(For Don Bosco Nerul Management)
