

Dear Council Member,

I would like you to consider a Special Election in order to fill the vacancy of District 3. I believe that the current City Charter should be honored, but Section 503 of the charter, that grants the city council the power to appoint a person for the remainder of a vacancy, was created before the implementation of our current by-district based election system.

District Elections were created to allow the city voters the power to select their own representative.

**I AM A:**

\_\_\_ **VOTER OF THE WESTSIDE**

\_\_\_ **A RESIDENT OF THE WESTSIDE**

\_\_\_ **A BUSINESS OWNER OF THE WESTSIDE**

\_\_\_ **A \_\_\_\_\_ of the city**

I urge you to please fill this vacancy by way of the power of the voters of the highest Majority-Minority community. This is the most democratic way. Please grant my neighborhood the power and voice to decide who will represent us.

Respectfully,
