Have you ever been dismissed from giving service to children or youth, for reasons other than expiration of the normal term of service? Yes _____ No _____

If so, please state the name of the institution involved, its location, the name of the director, and the time and nature of the circumstances under which you were dismissed.

Child abuse is as old as the history of mankind. It has many ugly forms and is a problem of severe magnitude and shocking implications. The spiritual atmosphere which the Olympic Bible Camp attempts to provide, may be one of the best deterrents possible. When, however, an instance of child abuse is suspected or reported, our leadership must do everything it can to help those in need as quickly as possible, along the best spiritual and professional guidelines.

A position paper which the Olympic Bible camp board has determined to follow concerning child abuse has been first adopted by the InFaith Board of managers. Please request one and familiarize yourself with it. You will be functioning under the requirements of it, and it is imperative that you follow its guidelines.

I acknowledge my responsibility to be careful and conscientious in reporting any suspicions to the Camp Director or Camp Dean.
