

Mary Morris

Driven to making a difference in the way businesses value their human capital, Mary understands the importance of innovative, results orientated services in today's challenging business environment.

Mary is an exciting and motivating facilitator and coach in the field of human resource performance development. She is an excellent communicator across all business levels drawing from an enviable background in human resources across a number of industries and management roles, which provides her with the knowledge to apply best practice in all her projects.

She facilitates practices which enable individuals and organisations to deepen their learning, strengthen relationships and appreciate diverse perspectives. Her ability to engage and empower employees to adopt new behaviours and implement change is apparent in all her projects, while her energy and techniques inspire new ideas and act as a catalyst for business excellence.
