Purely Green
OIL CLEAN

Approved by
**FL Dept. of
Environmental Protection**
For
Oil Remediation

___ Qts _____ Gal.

Suggested Dilutions

For Dried Oil & Tar

6 Oz. per gallon of warm water

Ordinary Degreasing:

3 oz. per gallon

For Mechanical Tools

3 Oz. per gallon

Barnyard, Farm chores

3 Oz per gallon

Commercial Office, Residential

2 Oz. per Gallon,

Restaurant Grills & Ovens

3 Oz. per gallon

Soil & Water Remediation

Generously drench target with Purely Green Oil Clean. Allow several minutes for penetration. Rinse with clean water, repeat if necessary. Test on site to determine proper application rate. More effective on organic contaminants.

Disposal

Readily Biodegradable

**No special disposal required. Comply
with local regulations**
