**CONCENTRATED**

Quart

Gallon

# Purely Green 100

## CLEANER & DEGREASER

*Safer for Humans and the Planet*

### Suggested Dilution Rates

Light Cleaning - (Appliances, counters, etc.):

1 oz. per gallon of warm water.

Medium Cleaning - (Tile floors, sinks, etc.)

2 oz. per gallon of warm water.

Heavy Cleaning - (Bathrooms, degreasing tasks, etc.) 3 oz. per gallon of warm water.

Equipment - (Farm and auto parts) Use 4 oz. per gallon of warm water.

Clogged Drains: (Scum & grease) Use full strength

### Directions

Generously spray or sponge onto surfaces. Allow cleaner to dwell then wipe and rinse well with potable water for quick removal of dirt, grease and grime. For extremely crusted grease, repeat application.
