

# DIVEMASTER COURSE

## Who should take this course?

Love scuba diving? Want to share it with others on a whole new level? Take the PADI Divemaster course and do what you love to do as a career. Scuba divers look up to divemasters because they are leaders who mentor and motivate others. As a divemaster, you not only get to dive a lot, but also experience the joy of seeing others have as much fun diving as you do.

# DIVEMASTER COURSE

## What will you learn?

The PADI Divemaster course teaches you to be a leader and take charge of dive activities. Through knowledge development sessions, waterskills exercises and workshops, and hands-on practical assessment, you develop the skills to organize and direct a variety of scuba diving activities.

- Supervising dive activities and assisting with student divers
- Diver safety and risk management
- Business of diving and your career
- Dive setup, briefing and dive management
- Organizing a search and recovery project and a deep dive
- Conducting PADI ReActivate and skin diver course
- Assisting with Discover Scuba Diving and leading Discover Local Diving programs

## Supporting Materials:

Sign up for Divemaster Online – PADI's eLearning option – to start now. You can work through eight knowledge development sections using a web-based system that lets you learn at your own pace. Another option is to study by reading the Divemaster Manual and watching the Divemaster Video (a book and DVD package). Enroll in the Divemaster course and get your Divemaster Crew-Pak, which also includes other reference materials – like the PADI Instructor Manual and The Encyclopedia of Recreational Diving – that you'll need during the course.
