

DISCOVER SCUBA® DIVING

Who should take this course?

Have you ever wondered what it's like to breathe underwater? If you want to try scuba diving, but aren't quite ready to take the plunge into a certification course, Discover Scuba Diving is for you. PADI dive shops offer this program either in a pool, at a beach or from a dive boat. You can try scuba close to home or while you're on vacation at a dive destination. While not a scuba certification course, Discover Scuba Diving is a quick and easy introduction to what it takes to explore the underwater world.

What will you learn?

You learn the basic safety guidelines and skills needed to dive under the direct supervision of a PADI Professional. If you make an open water dive, you'll practice a few more skills in shallow water to prepare for your adventure. Get ready to:

- Go over the scuba equipment you use to dive and how easy it is to move around underwater with your gear.
- Find out what it's like to breathe underwater.
- Learn key skills that you'll use during every scuba dive.
- Have fun swimming around and exploring.

Supporting Materials:

PADI DSD Participant manual - our Participant Guide explains the experience and lets you pre-study the safety rules and skill techniques your dive professional will review with you.
