

Stages of Healing Brows & Eyeliner

DAY 1

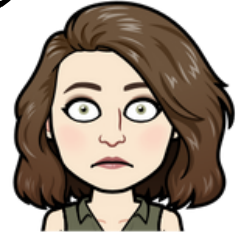

I love them so much! Just a little dark and tender right now.

DAY 2-4

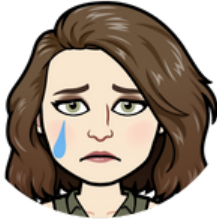

They are darker but I am still happy with the shape.

DAY 5-7

They are scabby and itchy but I will **not** pick!

DAY 8-10

They are nearly gone! She said this was normal though.

DAY 14-28

Okay some color is coming back. Time for my touch-up.

After touch-up

DAY 45

Love them! I will not have to fill in unless I want to change up my look for the day!

Stages of Healing Lips

DAY 1

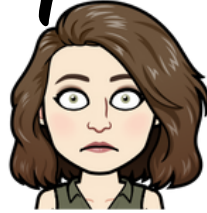

I love them so much! They are swollen and a little dark.

DAY 2-4

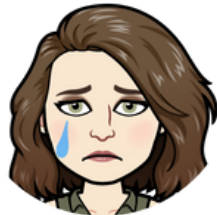

They are a little darker and feel like they are chapped.

DAY 5-7

They are scabby and patchy but I will **not** pick!

DAY 8-10

The color nearly gone! She said this was normal though.

DAY 14-28

Okay some color is coming back. Time for my touch-up.

After touch-up

DAY 45

I love having a great color everyday. Chapstick is all I need.
