

ORDINANCE NO 2020-1 / 11-12-2020

WHEREAS; it is the purpose of this ordinance to establish permissions and protocols for electronic open public meetings in situations where in-person open public meetings are inadvisable or impossible.

ELECTRONIC PUBLIC MEETINGS

Be it ordained by the Emery Town Council that Open Public Meetings and Public Hearings may be held by means of a conference telephone call; or an online electronic platform designed for online group meetings when it is deemed inadvisable or impossible to conduct such meetings in person.

Whichever meeting platform is used, it is mandatory that all persons participating in the meeting can hear each other.

Posted public notices of said meeting must indicate that the meeting will be electronic and must include clear directions of how the public can access and attend the meeting electronically.

Participation in a meeting held by conference telephone call or via an online meeting platform shall constitute presence of meeting attendees.

All voting in electronic Town Council meetings shall be performed by roll call to ensure that the minutes can accurately reflect individual Council Members' votes without the clerk having to guess who is speaking/voting.

This ordinance shall become in effect immediately upon voting approval by the Emery Town Council.

Dated this 11th day of November, 2020
