OUR BEST CLIENT

Over the past three years, more than 50 grape containers have been packed and shipped from Al Batoul Company to German markets by the largest company in this field, Dole

logistics

The Pack house is located in a privileged location as it is only 100 km away from Alexandria port, facilitating the process

of transporting and shipping products through the sea port. It is also 91 km away from Cairo Airport

In addition to the center of most agricultural cities and its proximity to the Lake Governorate

ABOUT US

Al-Batoul Company started with the agricultural activities of fruits and vegetables in its own farms in the city of Al-Khatatbah since 1995, and since then the company has grown and grown and added new activities.

The area of al-Batool farms is about (1000) feddans in both Menoufia and Minya governorates

Its crops vary between vegetables and fruits, and the latest methods and agricultural machinery are used. Our farms have obtained the Global Gap certificate.
