Star Block

Draw a diagonal line on the wrong side of the Riley white solid 4¼" squares. With right sides together, place a Riley white solid 4¼" square on top of a print 4¼" square. Sew a scant ¼" on each side of the drawn line. Cut on the drawn line. Press toward the print fabric. This will create 2 half square triangles. Draw a diagonal line (this will go across the seam) on the back of 1 of the half square triangles. With right sides together and nesting the seams, place one half square triangle on top of the other half square triangle. Sew a scant ¼" on each side of the drawn line. Cut on the drawn line. Press. This will create 2 quarter square triangles. Using a square ruler with a 45-degree line, find the center at 1¾" and square up the Quarter Square Triangle to 3½". Repeat to create 60 Quarter Square Triangles.

Quarter Square Triangle

These instructions are to make 1 block. Sew a Riley white solid 3½" square to the sides of a Quarter Square Triangle to create Row A. Repeat to make 2 Row As.
