_____ Testing and College Credit:

I understand that AP is a registered trademark of the College Board, and that by taking a Pre-AP or AP English Language and Composition course, I am in no way guaranteed to receive college credit. College credit is awarded by each individual college or university that sets its own credit policies. Furthermore, the AP English Language test score will be one of the determining factors in receiving college credit. The AP English Language and Composition test will not be given as part of this course, but Blaze University will offer practice tests, suggestions, and help to register at a test center. There will be an additional fee

for the test that will meet the requirement of the testing center. Blaze University does not charge any additional fee for the test. Blaze University cannot guarantee any specific result of the AP English Language and Composition test.

_____ Code of Conduct:

Blaze University requires students to be respectful of everyone at all times. It is also expected that students attend regularly, avoid all forms and all appearances of cheating, obey basic classroom rules, and participate in homework and class activities. If a student or parent fails to be respectful and honor such basic expectations, it could result in the disenrollment of a student from any Blaze University class at any time. If this happens after the first month of class in the school year, no refund will be given.

_____ Dress Code:

No particular dress code is required beyond avoiding any clothing or accessories that are deemed obscene, offensive, inappropriate, or distracting from the educational environment. Some examples of unacceptable choices are visible underwear, miniskirts, and spaghetti straps. If an issue arises, the teacher will respectfully speak first to the student. If a second issue occurs, the parent will be notified.

_____ Books Required:

A list of books and supplies required can be found on the syllabus, which will be released no later than July 1.

_____ Parent Involvement:

Classes are intended to be independent of parent help with the main exception that parents do need to take an active role in reinforcing that homework is completed thoroughly and in a timely manner. However, parent involvement beyond that is highly encouraged but not expected.

Payment and Refund Policy:

The AP English language class is a full school-year long class costing \$540.

A \$25 deposit is required to hold a place for your student in class. On June 1 a second installment of \$25 is required to continue to hold the spot, meaning by June 1, a total of \$50 will be required to secure a place in this class.

On the first day of class, the remaining balance for just the first semester, which will be \$220, is due. The entire second semester payment of \$270 is due December 1 or before. Payment may be made by cash or check. We do not accept credit cards at this time.

Unfortunately, payment plans cannot be accommodated.

The Payment Schedule:

<u>Date</u>	<u>Amount Due</u>	<u>Details</u>
Any time after registration opens, but before June 1 st	\$25	
June 1 st	\$25	This is in addition to the first deposit, which brings the full deposit paid up to \$50
First day of class	\$220	Which brings the total paid to \$270, equaling the full first semester, half of the year's payment
December 1	\$270	This completes the full year's payment of \$540

By signing this form parents agree to pay for a full school year. If payments are not made at any time according to this payment schedule, Blaze University can disenroll the student from the class. Space in class is only guaranteed when payment and registration paperwork is received on time.

Refund Policy:

Full refunds will be given until July 15 of that school year. After that time, no refunds will be given.
