_____ Code of Conduct:

Blaze University requires students to be respectful of everyone at all times. It is also expected that students attend regularly, avoid all forms and all appearances of cheating, obey basic classroom rules, and participate in homework and class activities. If a student or parent fails to be respectful and honor such basic expectations, it could result in the disenrollment of a student from any Blaze University class at any time. If this happens after the first month of class in the school year, no refund will be given.

_____ Dress Code:

No particular dress code is required beyond avoiding any clothing or accessories that are deemed obscene, offensive, inappropriate, or distracting from the educational environment. Some examples of unacceptable choices are visible underwear, miniskirts, and spaghetti straps. If an issue arises, the teacher will respectfully speak first to the student. If a second issue occurs, the parent will be notified.

Payment and Refund Policy:

The Math Homework Help class is a semester-long class costing \$80. Parents have the option of signing up for one semester or both semesters.

A \$25 deposit is required to hold a place for your student in the first semester's class. For the first semester's tuition, the remaining balance of \$55 is required by August 1 to continue to hold the spot, meaning by August 1, a total of \$80 will be required to secure a place in this class.

If enrolling for the second semester, the \$80 for that semester is due by December 1 and will be required to hold the spot.

Payment may be made by cash or check. We do not accept credit cards at this time. Unfortunately, payment plans cannot be accommodated. If payments are not made at any time according to this payment schedule, Blaze University can disenroll the student from the class. Space in class is only guaranteed when payment and registration paperwork is received on time.

Refund Policy: No refunds can be given after August 1 of that school year.
