President's Message

It is April. We are one month closer to our regional meet in June. It is time to act. It is easy. Prepare your car for the regional meet. It is not required to have a reliable car at the meet but, honestly, it will be more fun if you did. If you're looking for a functioning Model A, there are always a few around for sale. Deep Model A knowledge and experience in locating or evaluating one is yours for the asking. The Plain Ol' A's is a great resource for you. There is also a Tune-Up Day event on April 23rd at 10am in the parking lot behind the Shawnee Masonic Lodge. Again, there will be Model A experience and knowledge available to anyone seeking guidance.

Register to participate in the regional meet. There are plenty of fun and interesting activities. Tours, meals, seminars, games and more. All the "cool kids" will be there. The registration form is in this newsletter and on the POA website. Fill it out. Sign it. Write a check. Mail it in. Brag to all your Model A friends that you're registered and that you expect to have the best time of your life.

Volunteer to help with the regional meet. An event like this is a lot of work and there are many opportunities for you to help. However, most of them are easy and will not limit your availability to be an event participant. You'll be receiving an email with directions to sign-up on a website called "sign-up genius." It is fairly intuitive. We walked through the process with a laptop and a projector at the last POA meeting. We will walk through it again at the April POA meeting. We will also be available to sign you up at that meeting if you wish to avoid having to navigate that internet mechanism for yourself. Then brag to all your Model A friends that you've volunteered and that you expect to have the best time of your life.

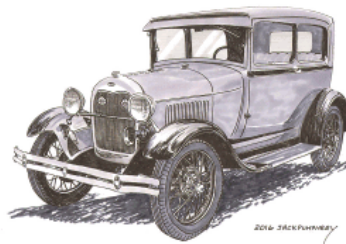

Donate raffle and door prize items to the regional meet. Who doesn't like prizes? Everybody likes prizes. "More" is better. "More" increases your odds of winning. "More" is what we need. Garage sale items are what we DON'T need. Unused, unbroken and "new in appearance" should be the criteria when considering contributions. Donated prizes should be things you would like to win. Bring such items to the next POA meeting or contact Lance Burton. Then brag to all your Model A friends that you've donated cool prizes and that you expect to have the best time of your life.

Join us in June. Then tell any of those Model A friends who did not come along, that they missed out. I'll thank you for being part of the best time of my life. I expect you'll thank me right back.

Ahoogo On!

John Smeltzer, President

Memorial Day Picnic

The club picnic will be on Memorial Day, May 30, 2022, from 11:00 a.m. to 3:00 p.m. at Miller Park in Desoto, Kansas. This is the same location as last year. The park is located at the north limits of the city of Desoto. It is where Dean Weller used to hold his birthday parties.

Meal will be bring your own. There is a McDonald's, Burger King, and Harps Grocery deli located at the south limits of Desoto. The park can be accessed from the east from 83rd Street which will bring you into the north limits of Desoto and Miller Park will be visible on the right. Access can also be from K-10, exit at the Lexington Ave. Exit for Desoto, the available fast food facilities are just right of the first stoplight and visible from K-10. Take the highway north and Miller Park will be visible on the left.

Last year Mother Nature treated us to a little moisture but the turnout was good, we all had a good time and enjoyed our meals and conversation. Hopefully this year Mother Nature will get with the program and provide us with sun and warmth. I will keep you posted to any changes.

The POAs Need You!

After a long two-year wait, the Plain Ol' A's are looking forward to hosting the 2022 Regional Meet this summer from June 2 - June 7, 2022. The POAs have a number of events planned for the week and are in need of volunteers to help the events run smoothly.

2022 Regional Meet June 2-7

We are now down to less than two months until the beginning of our Regional Meet. We have two main focuses that we are working on right now.

The first is collecting items for our raffle and for door prizes. Please keep in mind that we are not looking for "garage sale" items, but items that you would like to have yourself. If you have items you would like to donate, please give Lance Burton a call. If you are unsure of what to donate, you call always make a cash donation to Bob Hess, and we can purchase items.

The second area we are working on is recruiting folks to help during the meet. A lot of the activities only require an hour or two and are local. Helping out at a Regional Meet is an excellent opportunity to see a lot of nice Model A's. We need quite a few folks to help with the Car Games. This would be a good time for the new members of the club to see Model A's driving around playing the games.

Please see Deborah Smeltzer's article on how to sign up to help in this newsletter. The sign-up system is called "Sign-Up Genius" and is very easy to use. If you have any questions about this system or signing up, give Deborah or myself a call.

The Planning Committee has been working very hard to make this event happen. We have been getting quite a few inquiries from folks wanting to attend, but we can't make this Meet a success without the help of the entire club. Please look the Sign-Up Genius program over and sign up to help where you can.

Any questions, let me know.

Tours

We only had three couples signed up for the "Blow the Dust Off Tour" on April 2nd so we cancelled the tour. Seems a lot of us are still working on our cars.

Tune-up Day will be April 23rd at 10:00 at Masonic Lodge, Shawnee. If you need help with your car this will be a good time to get help. If you can bring your car great but if not there will be someone there that can answer your questions.

Our May tour will be for Ice Cream after the picnic on Memorial Day. Hope to see everyone at the picnic.

The Regional Committee will be needing help the first weekend in June putting the event on. If you can help Please let Ron Guenther know.

Several of our club members will be traveling to Texas for the National Conference after our regional in June.

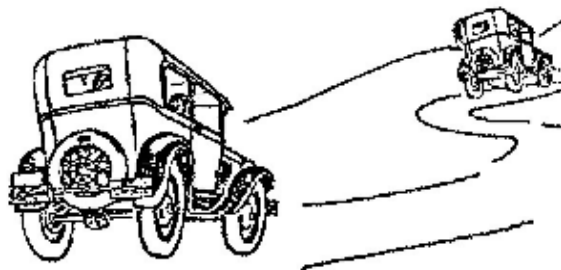

One of our new club members has suggested a tour to his family's property. I am working with him to schedule this tour for sometime in June.

The Lenexa 4th of July is back on!!! I will have more information later as I'm waiting on the paperwork from Lenexa to get us signed up. And yes we will have lunch at Zarta's after the parade.

Several club members have contacted me about tours. I am working with them to see if we can make them happen. Also the Heart of America club has invited us to participate in some of their tours. It sounds like they have some interesting places to visit. Hopefully we will be able to attend some of them.

Please let me know if you have ideas for a tour.

This iconic movement exposed the world to the arts and culture of African Americans, but it was also a time of struggle for civil rights and social equality. Using jazz, blues, spirituals, and poetry, Sheppard's presentation spans the 1920s and explores the contributions of Kansas artists involved in this unique moment. Brewery TBD

Jim's Tech Tips
"Radiator Hoses"

If there is one thing we take for granted on the Model A engine, even more than the fan belt, it's the radiator hoses. We put them on and expect them to last "forever". But they don't. I've been on more than a few tours where someone ends up with a leaking radiator hose that interrupts their drive.

So today's Tech Tip is to remind you to inspect the radiator hoses and snug up the hose clamps (if needed) every time you change the engine oil. Look for signs of coolant seeping out of the hose, usually at the end. Look for obvious cracks and other signs the rubber is breaking down.

The upper radiator hose is subjected to the hottest coolant while you drive, so that is often the hose that starts leaking first. And the lower steel pipe tends to corrode away from the inside out, where you can't see it until it's too late. So look for coolant weeping down there, too.

A stock Model A does not run a pressurized cooling system, so it does not have a lot of pressure on the hoses. However, if you have a thermostat installed in your upper hose, the hose section between the engine outlet neck and the thermostat sees a lot of pressure when the thermostat is not open. A leak there can pump all of your coolant out in no time at all. So check that area carefully.

It's probably overkill, but to avoid a problem on the road, I replace my radiator hoses and coolant about every 3 years of normal driving. Avoid problems, and Have a Model A Day!
Jim

MODEL A FOR CLUB OF AMERICA WAIVER, INDEMNIFICATION RELEASE AGREEMENT

IN CONSIDERATION OF BEING PERMITTED TO VOLUNTARILY PARTICIPATE (AT MY REQUEST) IN THE EVENT OF MODEL FOR CLUB OF AMERICA ("MAFCA"), ITS CHAPTERS, REGIONS AND/OR SPECIAL INTEREST GROUPS REFERRED TO BELOW ("EVENT"). I/We, THE UNDERSIGNED AGREE(S) TO THE FOLLOWING:

- 1. THE UNDERSIGNED HEREBY RELEASES, WAIVES, DISCHARGES AND CONVENTS NOT TO SUE MAFCA, ITS CHAPTERS, REGIONS OR SPECIAL INTEREST GROUPS, THEIR EMPLOYEES, OFFICERS AND AGENTS ("Releasees") from all liability to the undersigned, his or her or their personal representatives, assigns, heirs, family members and next of kin ("Releasors") for any loss, damage, or claim therefor on account of injury to the person or property of the Releasors, whether caused by any negligent act or omission or other fault of the Releasees or otherwise while the undersigned is participating in the Event or using any of Releasees' facilities in connection with the Event.
- 2. THE RELEASORS HEREBY AGREE TO INDEMNIFY AND HOLD HARMLESS the Releasees from all liability, claims, demands, causes of action, charges, expenses, and attorney fees and all other costs resulting from my involvement in the Event whether caused by any negligent act or omission or other fault of the Releasees or otherwise.
- 3. THE RELEASORS HEREBY ASSUME FULL RESPONSIBILITY FOR AND RISK OF PERSONAL OR BODILY INJURY, DEATH OR PROPERTY DAMAGE while upon Releasee property or participating in the Event or using any Releasee facilities and/or equipment whether caused by any negligent act or omission or other fault of Releasees or otherwise. The Releasors expressly agree that the foregoing release and waiver, indemnity agreement and assumption of risk are intended to be and shall be interpreted and applied as broad and inclusive as permitted by applicable law.

I ACKNOWLEDGE THAT I HAVE READ THE FOREGOING, THAT I AM VOLUNTARILY ENTERING INTO THIS AGREEMENT AND THAT I AM AWARE OF THE LEGAL CONSEQUENCES OF THIS AGREEMENT, including that it prevents me, my personal representatives, assigns, heirs, family members and next of kin from suing the Releasees if I am injured or damaged for any reason as a result of participation in the Event.

IF THE PARTICIPANT IS A MINOR, HIS OR HER CUSTODIAL PARENT OR LEGAL GUARDIAN MUST READ AND EXECUTE THIS AGREEMENT WHERE INDICATED BELOW. I hereby warrant and represent that I am the legal guardian or custodial parent of the minor named below, who is a minor, and agree, on my own and said minor's behalf to the terms and conditions of the foregoing agreement.

I understand that I may talk to my legal advisor about this agreement and I have either done so or chosen not to. I understand that I have the right and have been given the opportunity to object to and bargain about the provisions of this agreement. I am voluntarily signing the agreement and intend it to be the unconditional release of all liability to the greatest extent allowed applicable law.

BEFORE SIGNING, CAREFULLY READ THIS ENTIRE AGREEMENT: If any accident, injury, death or damage to personal property occurs, you (by signing this agreement) will be giving up certain legal rights. If any part of this agreement is held invalid, the rest of the provisions shall remain in effect. If you do not understand anything in this agreement, you should not sign it and you should instead consult your legal advisor.
