## President's Message

It is August in Kansas. The weather is brutally hot and humid. The vegetation is turning brown and crunchy. Fireflies are done. Cicadas and grasshoppers are not far off. We were following the same old script ...and then something new and exciting happened.

An unexpected swarm of non-members appeared at our last meeting. They were hoping to find out about our club. They must have liked what they saw. Some of them have signed up. I expect the others will join us soon. Be prepared to step up, introduce yourselves and take them under your wing. Pull them all the way in. We want their ideas and participation. We want their help to keep this organization vibrant and successful.

Toward that end, I will be sending a survey to you newest members who have joined us in the last year or so to understand you a bit better. Why did you join the Plain Ol' A's? What are your expectations? What fresh ideas do you have?

You longer-term members are on the hook as well. I have a survey for you too. I want to understand how you feel about the club. What are your thoughts on our activities? Which ones do you enjoy? Are there things you'd like to see change? Do you have new ideas to explore?

I will be emailing each of you a link to the survey. There are around 15 multiple choice questions. It should not take more than 10-15 minutes to fill it out. I expect every adult member of the club to find some air conditioning and some time to submit one. If your significant other doesn't have an email address, share the email with them and help them. IT IS IMPORTANT. It is also quite simple. (The email will explain much about the steps.)

Of course, I will be sharing the results with you. I'll also be taking full credit for any good ideas submitted. Due to well-deserved skepticism, truly brilliant ideas will be accurately attributed.

Ahoooooga On!

John Smeltzer, President

The deadline for submission of articles is the 8<sup>th</sup> of the month.

## MAFCA Membership

There is a membership form to MAFCA in the back of the newsletter for anyone who is interested.

## Sunshine Report

Hopefully everyone is managing to stay cool during this hot summer!

A get-well card was sent to Terri Burton, who had surgery in July. Terri is on the mend and we were happy to see her and Lance at the POA meeting in July. Terri is looking forward to dancing again soon!

Lanny Rake's mother passed away on Sunday, July 31st and a sympathy card was sent to Lanny with condolences from the POAs. Lanny shared that his mother was blessed with good health until almost the end.

Lanny also had good news to share with the club - he will be retiring at the end of the month after a long career with Walmart. Best wishes to Lanny as he embarks on this exciting new phase of life.

I hope you will be able to join the POAs at one of the upcoming events planned for later this month-Ladies Night Out is Wednesday, August 17th and a "cruise" to Lawrence is planned on August 20th. See the newsletter for details and how to RSVP for these fun events. We hope you can join us!

Deborah Smeltzer, Sunshine Chair

## June 2022 Minutes

The monthly meeting was held on June 27th at the Masonic Lodge in Shawnee.

President John Smeltzer called the meeting to order at 7:30 p.m.

Guests and New Members - There were two new members at the June meeting: 1) new member Bob Arnold attended the May picnic and owns a 1930 Tudor; 2) Al Vantrees has also joined the club. Al shared that he has work to do on his car. Guest Dan McLean also attended the June meeting.

Opening Remarks - John opened the meeting by recognizing Ron Guenther and the committee members of the Regional Meet held in early June 2022. Under Ron's leadership, the Regional Meet was a great success with over 55 registrations and our guests enjoyed getting together with their friends from area Model A Clubs.

Minutes-The minutes from the May meeting were approved as published in The Plain Dealer.

Treasurer's Report-Bob Hess was unable to attend the meeting

Sunshine Report-A get-well card was sent to Theresa Guenther in June. A get-well card will be sent to both Bob and Nancy Hess.

Ladies' Night Out-Alan and Georgia are hosting the Ladies' Night Out at Cinzetti's on July 13th at 6:30p.m. Cinzetti's is located at 91st and Metcalf. The Colemans are scheduled to host in August.

Tours-The following tours are being planned:

- July 4 - Lenexa parade with Lunch following at Zarda's Barbecue - bring decorations for your car
- July 23 - Board meeting and breakfast
- Sept.9-11 Tour to Nebraska.
- October 1 - Turner Barn
- October 20 - Tour to Fort Leavenworth - Theresa to have more information later

The "Smell the Flowers" tour to the Arboretum is to be rescheduled for later in August after the heat breaks. See Tours in newsletter for more details on all planned tours.

Car Shows - Justin has planned for the following car shows:

- July 17 - Nelson Atkins Museum: 4-8 p.m. Meet at Kaufman Gardens at 3:20 and group will drive together to the museum.
- September 11 - Wheels and Dreams at Old Shawnee Town - \$20 per vehicle
- October 6 - Cedar Lake Village - this tour was originally planned for June and rescheduled for October.

- October - HyVee Trunk or Treat - more information to come

Refreshments - Refreshments will be provided by the Alan South and the Colemans at the July meeting.

Webmaster - [www.plainolas.com](http://www.plainolas.com) - Webmaster Joe Nicholas has set up a new email address: [plainolwebmaster@gmail.com](mailto:plainolwebmaster@gmail.com). Use this email to reach Joe when sharing new pictures, articles or asking questions. There was a big spike of activity on the website on June 6, 2022, which was attributed to the start of the Regional Meet. There were 433 visitors to the website in the last 30 days and the site has had 2,918 unique visitors as of June (in April: 2,255 unique visitors).

Regional Meet-The regional meet was a smashing success. Ron thanked the committee members for their help with the meet and also thanked all the volunteers who helped staff the many planned events. Ron and Bob Hess are working on getting all the bills paid and will report on how much the meet made in July.

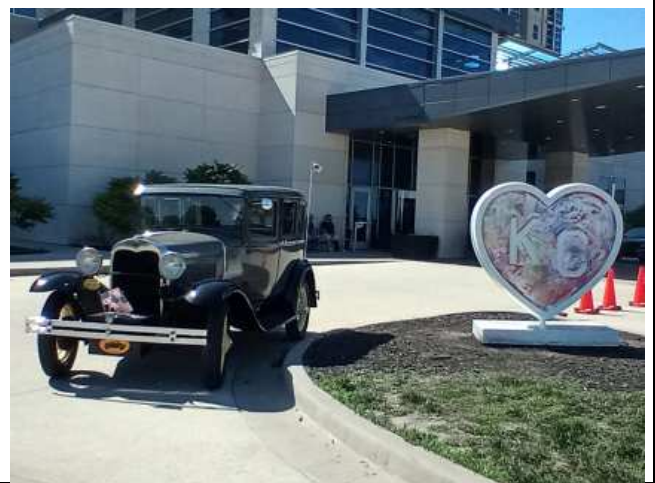

National Meet - The group that went to Texas for the National Meet in June reported that the weather was HOT. The group made it there and back safely with only a few mishaps.

Name Tags - Remember to bring your name tag to wear at the monthly meeting. Those without name tags will be expected to pony up \$1.00 to be donated to the Model "A" Youth Fund. John reminded the group that this is to help all attending the meeting with names and is meant to be fun. If you need a name tag, please contact John Smeltzer at [js5200ks@gmail.com](mailto:js5200ks@gmail.com) or 913-638-7032.

New Business:

Mechanical Issues - the board is discussing forming a committee to help those with mechanical issues. John will be asking for volunteers at the July meeting.

Website-Service Providers - the board is considering allowing members to post recommendations of service providers on the website. More to come.

## July 2022 Minutes

## Christmas Party

As announced at the July general meeting, the Plain O' A's Model A club will again hold their annual Christmas banquet and gift exchange at the Olathe Embassy Suites. The banquet will be on December 4, 2022, from noon to 3 P.M. The Embassy has the following plated luncheon selections available. We must select Entrees prior to the banquet and therefore I am requesting you help me in that. Please review the following Entrees with their cost in order to be prepared to make your selection at the August general meeting.

CRUSTED CHICKEN BREAST	\$30.99
SCOTTISH SALMON	\$33.04
KC STRIP MEDALLIONS	\$37.73
GRAPEVINE SMOKED CHICKEN	\$30.93
BRAISED SHORT RIBS	\$37.65

Note the above prices includes a 23% service charge and 11.475% taxes.

Ballots for picking your Entree selection will be available at the August meeting for you to make your selection. Based on the ballots 2 or 3 selections will be made available for the banquet.

Make your Entree selection, mark your calendar, start looking for your gift for the exchange and be prepared to have a great time at the Christmas banquet on December 4th.

## Dog Days End

The phrase "Dog Days" refers to the hottest days of summer. The Old Farmer's Almanac lists the traditional timing of the Dog Days: the 40 days beginning July 3 and ending August 11, coinciding with the heliacal (at sunrise) rising of the Dog Star, Sirius. The rising of Sirius does not actually affect the weather (some of our hottest and most humid days occur after August 11), but for the ancient Egyptians, Sirius appeared just before the season of the Nile's flooding so they used the star as a "watchdog" for that event. Since its rising also coincided with a time of extreme heat, the connection with hot, sultry weather was made for all time

## Tours

The Northwest club is planning another tour to Nebraska in September. Here is the information from their website:

Nebraska Tour September 9, 10, & 11, 2022 Planning is still in the early stages, but we had so much fun last year, we're doing it again! We're going back to Brownville Nebraska and the surrounding area for some interesting stuff we missed last time, and some that we just want to see one more time! Final destinations and details are being worked on, but the rooms at the hotel are now available for booking.

Call Jody ASAP at 816-225-7680 to start the reservation process!

"Cruse the Back Roads to Lawrence" - August 20th. We will meet at McDonald's ( S Harrison (K7) & S Hamilton Circle) at 9:30 and leave at 10:00. We will travel to Lawrence for lunch and then return back home. If you didn't sign up at the July meeting, call me and I will add you to the list.

September 24th I've rescheduled the "Smell the Flowers Tour" to the Overland Park Arboretum. We will meet at 9:30 at the McDonald's at 135th and Quivira and leave at 10:00. After our visit to the Arboretum we will have lunch at Mi Ranchito in Stanley.

Turner Barn Car Show is October 1st from 10-2:00. Lunch will be provided for participating car owners. We will meet somewhere in Olathe and go out as a group. More information to come.

Theresa Guenther is working on a trip to Fort Leavenworth for October. She will have more information later.

Several club members have contacted me about tours. I am working with them to see if we can make them happen. Also the Heart of America club has invited us to participate in some of their tours. It sounds like they have some interesting places to visit. Hopefully we will be able to attend some of them.

Please let me know if you have ideas for a tour.

**THAT PERFECT "AH-000-GA"** It is necessary that the armature rotate at a high rate of speed. This speed is possible only when the bearings are properly oiled and the commutator and brushes are clean. Once a month, remove the motor cover located at the rear of the horn. Place a few drops of oil on each end of the motor shaft. Use a light oil and do not apply too much.

To clean the commutator, set the motor in motion by pressing the horn button. While the motor is revolving, hold a piece of fine sand-paper against the commutator until it is clean. Next with a small piece of wood, clean the gaps between the commutator segments. Do not use metal to clean gaps. When turned with fingers, the armature should revolve freely.

If the horn doesn't operate, check:

- Battery charge, wiring for good connections and horn button for contact.
- Ratchet wheel for wear or too much grease.
- Diaphragm for rust and wear on center post. Be sure there is one paper thin gasket on each side.
- See that all bolts are properly tightened. The cover hold down screw should be only 7/8ths inch long. Over tightening this screw can cause a direct short.

Our History on Tap series returns this fall with musician and historian Lem Sheppard of Humanities Kansas, who takes us into the booming, experimental period in American history known as the Harlem Renaissance! This iconic movement exposed the world to the arts and culture of African Americans, but it was also a time of struggle for civil rights and social equality. Using jazz, blues, spirituals, and poetry, Sheppard's presentation spans the 1920s and explores the contributions of Kansas artists involved in this unique moment.

The following is an article published in the May 1992 issue of The Plain Dealer by Bob Craig, a long time member of The Plain Ol's A's.

## MY MODEL A'S

by Bob Craig

I got my first Model A ... a 1930 Coupe ... in 1941 while still in college. About a year later I went to work for the U.S. Weather Bureau in Ft. Worth, Texas. That next year the Model A served me well ... many weekend trips home to Denton (35 miles, northeast) as well as to work and also to school at TCU for part of that summer.

That Model A came to grief in March 1943 when I tied at an intersection in Dallas with a fire chief who was probably late going home to dinner. At any rate he wasn't exhibiting emergency signals, just driving fast. I sure wanted to collect damages, but we don't "fight city hall" and win. Incidentally, when I went to Ft. Worth to work, my dad made me buy liability insurance ... \$17 per year! The insurance company told me to settle, for each party to fix his own car, after I got a letter from the city claiming that they couldn't be sued. I sold the car for \$35.

I have been interested in old cars at least since World War II, and maybe before, especially Model T Fords. In 1971 I finally realized that I had better get started if I was ever going to "get into old cars". My first venture was a nice original 1935 Chevrolet Master Deluxe Sport Sedan that I paid \$675 for. We drove that car many miles with the Horseless Carriage and Vintage Chevrolet clubs, the longest trips being to Colorado Springs and to Lake Itasca, Minnesota. The trip up Pikes Peak in this Chevy was much more difficult than in the Model A, 15 years later. It boiled all the way and almost gave up on the last switchback!

In the fall of 1983 when Jim Shanks was closing his museum at Union Station, I decided the Chevy's wood body was getting pretty creaky and it might be time for a change. I took it down to put in Jim's auction a couple of weeks early, with what I thought was a hefty reserve. Jim asked if I wanted to wait for the auction or should he sell it if he could. The next day he called and told me it was sold and to bring the title down! He still made me pay a whole month's rent for one day of storage!

While making idle chitchat, I mentioned to Shanks that I wouldn't mind having a '30 or '31 Model A Roadster, but I had watched them price themselves out of my range. Being the consummate salesperson that he is, he had me tour the museum with him and sure enough there was a black (I thought) drap-looking roadster that needed some detailing.

After a couple of days of soul-searching, dickering, and pleading with Vivian, I drove the roadster home. In sunlight we discovered that it was very dark brown instead of black and after having it striped and the wheels painted it didn't look as stodgy as I first thought.

That year (1983) the Metro Antique Auto Club and the Early V-8 Club had their Christmas parties together since both clubs needed help to fill a hall. Late arrivals at the party who sat across the table from us introduced themselves ... Bob and Joyce Swigert! He wasted no time getting me over to see his cars the next day and signing me up in the fledgling Plain Ol' A's and MAFCA.

Vivian and I made many trips in the Model A Roadster, seemingly usually in the rain: Lake Geneva with the Swigert's in 1985, Colorado Springs with a group of enthusiasts in 1991, and two one-week tours of Colorado and New Mexico after towing the Model A out there.

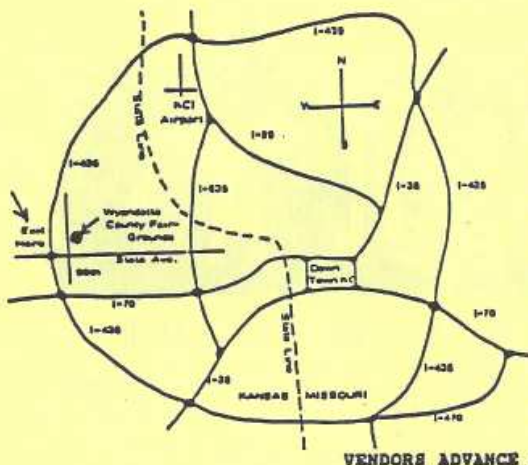

I never knew that there were as many things that could go wrong with a car as did during my eight years with that Model A, but apparently they all got fixed, or at least enough of them, and usually by me. There was only once that we didn't get home under our own power. A front wheel bearing froze and we had to be towed from Cameron, MO., my own fault, of course.

For several years we have been looking for a Model A Victoria (affordable) and finally we found one last December. Much as I hated to, I let the roadster be bought so now, hopefully, we are embarking on some less wind and rain blown touring. It will really take some doing to make it more enjoyable than our eight years and seventeen thousand miles in the roadster.
