President's Message

The big game in Miami took over the highlight of the day this past Sunday with a long awaited Chiefs win! A ways north of Miami and with thousands watching on Gobbler's Knob, Punxsutawney Phil emerged from his slumber on Sunday and did not see his shadow. That's a good sign for us Model A enthusiasts. I also checked in on another famous American groundhog to see what they had to say this year. They also agreed with Phil and did not see their shadows. Stanton Island Chuck did not see his shadow this year and he has an over 80% success rate in the last 33 years! With that in mind, we will hope for an early spring that would bring out the cars sooner. A great start to our touring season will be the St. Patrick's Day Parade in March and the Spring Fling Tour April 23-26. We have a lot of events scheduled for this touring and show season. Check out the calendar of events each month, all year long, and make plans to join us along the way.

This month at our meeting we will be holding a raffle drawing again. Each even numbered month there will be an item that was donated or a 50/50 cash prize awarded to the raffle winner. All proceeds from this will go directly to our annual donation to the MAFCA/MARC Model A Ford Youth Scholarship Fund. https://www.mafca.com/y_MAF_scholarship.html. See you at the upcoming events and AHOOGA on!

– Justin Read, President

2020 Regional Meet February Update

The registration forms for the Regional are up and running, and we're starting to receive them from different areas. We've had some inquiries from as far away as California, believe it or not. I suggest that you go on line at www.plainolas.com, and check out the revised webpage and the Regional Meet's activities, then register to attend.

Each committee has determined how many people they will need to help with their activity or event, and will be asking club members to sign up and help where needed. Without your help we will have a hard time making this Regional Meet a success.

The last meet we hosted in 2011 we were able to bring homemade snacks and cookies made by our members into the hospitality room at the hotel. This year we are not going to be able to have homemade items so we are going to have to purchase pre-packaged goodies. To keep from withdrawing funds from the club treasury to buy snacks and goodies we are asking every family in the Plain Ol A's to donate \$20.00 to help purchase these. The decision to host a Regional Meet was a club decision, and as such we hope the club members will step up and help by donating. Donations can be either mailed to Bob Hess or you can pay him at a meeting.

We also need your help in collecting raffle items for the hospitality room. These items will include Model A related parts, tools, ladies items, etc. These items should not be "garage sale items", but new or like new. We will need your help to gather these things for the meet.

The planning committee has been working very hard to make this meet a success. With the addition of your help we will be able to accomplish this. Hope to see everyone there.

Tours

With January behind us, we had over 20 people attend the breakfast at the Golden Corral. Our board of directors met afterwards to set up our calendar for the year, and what is ahead. There's a lot on our plate this year with the Regional Meet just five months away. We're down to implementing our plans and asking for people to help.

Union Station has another fine exhibit to visit this year, Genghis Khan. A military genius, Genghis Khan amassed more land than the Romans or Alexander the Great. This exhibit lets you see the rise and fall of an empire. We'll meet on the lower level near the ticket office at 10:00 a.m. After we visit the exhibit, we'll do lunch at Gates BBQ on Main. If you did not sign up at the January meeting, call me or email us to attend.

Leavenworth's St Patrick's Day Parade will be Tuesday, March 17th. Meet at Choctaw between 3rd and 4th Streets (Henry Martins GMC) at 12:00 p.m., parade at 1:00 p.m. Point of contact is Sue Ryan. We'll have a sign up sheet at the February meeting. We'll be in Colorado that week so Bill will take the lead on this. Remember Tune-up Your Model A Day, Saturday, April 4th at the Masonic Lodge. Coffee and donuts provided by the club.

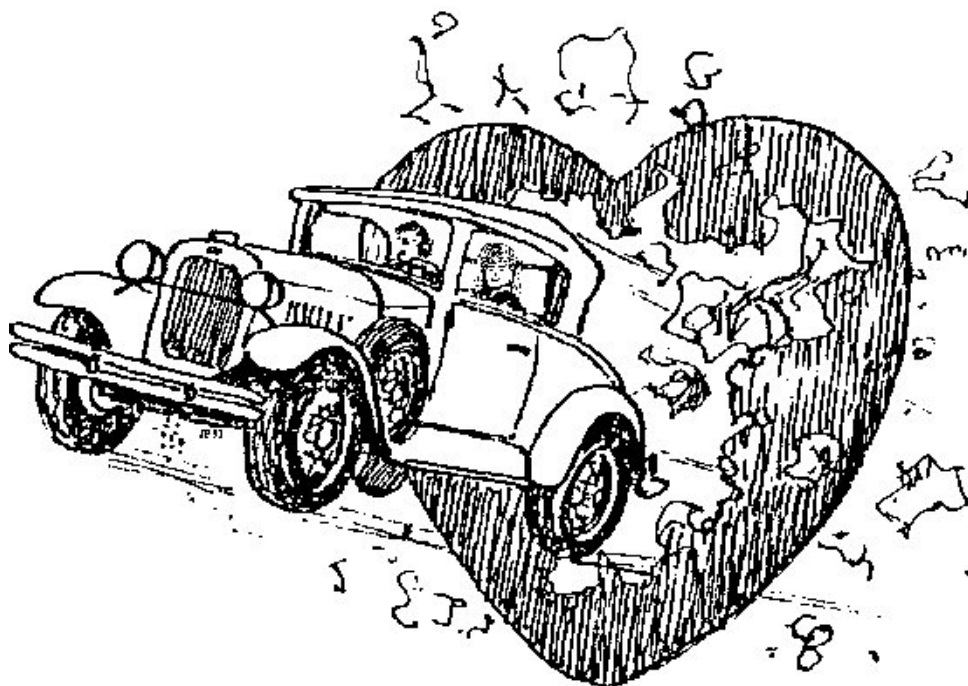

Several cars signed up for the Spring Fling Tour. We have a hotel in Concordia but won't know about Abilene until after the newsletter deadline for this month. As soon as we get the conformation we'll put it out on an email and in the March newsletter. Sign up at our next meeting or call/email us if you would like to go. In Concordia we'll visit the Orphan Train Museum on Friday then drive to Abilene for the night. Saturday we'll visit the Eisenhower Museum and eat dinner at the Brookville Hotel. Sunday we'll have lunch in Manhattan and visit a new old car museum, then head for home.

Old Shawnee Town 1929 is continuing their History on Tap series again this year. The first talk will be March 18th, subject: WWI to 1920. May 13th topic is: Notable Women, Women's Suffrage. Our cars set up at 6:00 p.m. with speakers from 6:30 to 8:00 p.m. These events feature area craft breweries. Cost is \$5.00 per person, but if you bring your car, it's free. Contact Justin Read for more information.

Come join us and support the mission of our club, getting our Model A's out on the road for people to see. We always get a positive response when people see the cars.

Happy Model A'ing

Theresa Guenther, (913) 682-2545

MAFFI Newsletter Minute

February 2020

My name is Greg Fish, and I am a MAFFI Trustee. Your Board of Directors, myself, fellow trustees, and a very important handful of other volunteers make up a group committed to the display and care of a fantastic collection of Henry's Ford Model A's. Through discussions at the last Model A Day Foundation meeting, it was decided that the upkeep of your cars and trucks should consist of more than dusting and polishing.

I am pleased to announce the VMP, or Vehicle Maintenance Program. This will be a little more involved than in years past, due to the decision that vehicles owned by the Foundation should be run annually. Despite a beautiful climate controlled building, some types of deterioration will not yield. Valves get stuck, clutch surfaces develop surface rust, and Heaven forbid, engines may become stuck fast over years of non-use. These are preservation issues that we are striving to avoid. Beginning in the spring, your trustees will convene on the museum with teams chosen by them with the goal of starting and running some of our long dormant stock. Over the course of the summer, and after a few visits, we hope to have every MAFFI owned vehicle running, and continue this goal on an annual basis. It is an important process to insure the cars and trucks we love last for generations to come.

Let us know how you mounted your POA Club Medallion

Bumper, horn bracket, license plate, light bar, tubing clamp and rock guard.

Forward Pics and information to Ken Coleman kcoleman555@gmail.com.

They will be combined and sent to Jim B. for the Plain Dealer.

Thank You!

I appreciate everyone's thoughts and prayers for my recovery while I was in the hospital and rehab. from November 25th to January 18. I have nearly recovered and have one procedure to be done in early April and then I'll be finished. I look forward to a full recovery and back to seeing all of my Model A friends soon. Thanks.
