## President's Message

Like most of you, I have read several of these messages from organizations about the COVID-19 pandemic. Some of them were light-hearted, but others showed how the situation weighed heavily on the organization or writer. I am writing today to say the Plain Ol' A's Board of Directors are taking this situation seriously and are planning events based upon the best information we have at the time. Several of you may have read in an email from us, on the Facebook group page, or the [plainolas.com](http://plainolas.com) website the recent changes. If you have not seen our messages from these various communication tools, please check them out. They will always have the latest information on events, meetings, and tours. Currently, the host organizations, board of directors, and committees have decided to cancel everything through May 24th, 2020. We have also postponed the 2020 Regional Meet until June of 2021 (more information will be coming on the exact dates). I hope that everyone understands that we took these decisions very seriously and made these decisions to protect members, participants, the public, and the Club as an organization. We weighed the financial and social liabilities as a whole during this process. With everyone's support and understanding, we will persevere. Please stay safe and keep the faith. Until we can safely meet again, I give everyone a virtual AHOOGA on! (At least until I finally fix my broken horn wire).

— Justin Read, President

## New Roster:

The new Roster was sent out last week, so everyone should have received it by now. If you did not, please let Joyce or Jim know and we'll get another one sent out.

We also know that despite our best efforts, and the best efforts of Bob Hess, the roster may contain errors. If you find some information that's wrong, we're sorry for the error! Let Joyce or Jim know if there are any changes that need to be made, and we can make them for the next printing, and we may also publish a list of corrections in the newsletter.

I hope everyone is able to stay at home and stay safe!

## 2020 Regional Meet April Update

As you may already know, due to the COVID-19 Virus the Planning Committee has postponed our Regional Meet from June of 2020 until June of 2021. We are planning to keep the same program and itinerary for next year, and are currently working with the meet hotel, Overland Park Marriott, to secure a contract for hosting next June.

This was a tough decision to make, but as the pandemic increased, the decision to cancel was a lot easier to make.

The planning committee has been working very hard to make this meet a success, and with the addition of another year, we will be able to make it even better.

Please stay at home and be safe during these trying times. We will get through this crisis and we hope to see everyone at a club meeting soon.

If you have any questions, give me a call.

Ron Guenther  
2020 Regional Meet Chair  
(913) 682 - 2545

## Tours

About the time the March newsletter was published, the Stay At Home Orders for the area and the State of Kansas were put in place. Well, that really put a damper on the touring calendar, probably into the summer. If possible (and that's a big if) we'll be able to have the Club picnic, Memorial Day and the 4th of July parade. We'll have to see when the Stay At Home Orders are rescinded.

One thing for sure, we'll be ready to get out and tour. I'll get with Bill and we'll put something together to take a long scenic drive to a local attraction and lunch afterwards. Depending on how the summer goes, I'll reinstate the Concordia-Abilene, Manhattan Tour for October. It will definitely be an abbreviated calendar for 2020. Hopefully we'll be able to do the Veteran's Day Parade in Leavenworth, a cold weather tour, and the Christmas Banquet. Stay tuned.

One way to do your essential shopping is to get your Model A out and drive it to the store, or take a drive around the country side. Call, email, or Facebook about what you're doing to pass the time. Stay in, stay safe until we can get back together again.

Happy Model A'ing!

Theresa Guenther, (913) 682-2545

## Just a little bit of humor:

I go to KFC to get the kids something to eat. They wanted the kids meal with a leg so I said "kids meal with the leg" and the lady says "which side?"

Me- \*complete silence as I heavily contemplate such an odd decision\* 🤔🤔

"I guess the right side, I don't know what the difference is." After several moments of laughter she says "no hunny which side would you like to go with the leg? "Mashed Potatoes or wedges"

## Doris Day's 1930 Ford Model A Roadster sells for \$96K

Nearly one year after Doris Day's death, her fans made sure she'll never be forgotten, gobbling up items owned by the Hollywood legend, singer, and animal rights activist. In a weekend estate auction hosted by Julien's, fans of "America's Sweetheart" placed online bids for more than 1100 items from her residence in Carmel-by-the-Sea, California, known as "Overlook."

Day died of complications from pneumonia on May 13, 2019. Day would have celebrated her 98th birthday on April 3.

Julien's said that the auction generated more than \$3 million, far exceeding presale estimates of \$300,000-\$600,000. All proceeds benefit the Doris Day Animal Foundation ([www.ddaf.org](http://www.ddaf.org)).

Topping the list of items sold was Day's 1930 Ford Model A, which she owned for more than 35 years and was frequently seen driving around Carmel. The rumble-seat roadster, which Day nicknamed "Buttercup," sold for \$96,000, more than nine times its estimate of \$10,000.

The car was a gift from a fan and Day had it restored in the early 1980s. It is powered by a 40-horsepower L-head 200.5-cubic-inch four-cylinder engine, mated to an unsynchronized three-speed manual transmission. Among the Model A's features are dual running boards, front and rear bumper guards, side and review mirrors, rumble seat, mounted spare tire, wire wheels, and four-wheel mechanical drum brakes. The odometer reads 35,142 miles.

Included is Day's personalized license plate "1 Bixby," a reference to her nickname, "Clara Bixby," given to her by good friend Billy De Wolfe decades before. It also has written starting and shut-off instructions taped to the dash.

Day used the Model A on her 1985-86 cable-television talk show, *Best Friends*, often taking her guests for a spin. That included Rock Hudson, who publicly revealed the toll that AIDS was taking on his body. Hudson died on October 2, 1985. "He was very sick," Day said later. "But I just brushed that off, and I came out and put my arms around him and said, 'Am I glad to see you.'"

Day's best-known films are those in which she co-starred with Hudson, chief among them 1959's *Pillow Talk*, for which she was nominated for the Academy Award for Best Actress.

The second-highest item sold at the weekend auction was also a vehicle, Day's 2002 Cadillac Escalade, which went for \$28,800.

## The Flying Quail MAFCA On The Go Our Monthly Members Update

Dear MAFCA Members,

California's Governor Newsom has signed an order that forces all nonessential business operations to shutter their doors through April 7, 2020. It may go beyond that date if the COVID-19 virus problems don't begin to subside. His action is designed to reduce person-to-person contact in our normal business operations.

Consequently, MAFCA's headquarters office in La Habra, California will be closed until further notice. We will be checking on voice mail messages that you leave when you call our office phone. And, we will be checking on email messages that you send. Please understand that our response time will be extended beyond normal intervals because our staff will be working from home and they will not have immediate access to all the office resources that may be required in responding to your questions.

We have been working closely with our printer and expect we will be able to ship *The Restorer's* May/June issue on time. It is yet possible that the printer will face similar requirements to close their operations. If that happens, we will let you know through our web site ([www.mafca.com](http://www.mafca.com)) what to expect for delivery.

If your concern is urgent and must be addressed immediately, I will be happy to help you. Otherwise, we thank you for your patience and understanding.

Please stay healthy and be safe.

## MAFFI Newsletter Minute April 2020

Did you get your commemorative pin from Model A Day 2019?

Each year for Model A Day we create a pin with our feature car. This year we had 2 pins, one with the Unrestored A-400 and another one of the Twenty Millionth Model A. Both of these pins are still available but the quantity is limited on the A-400. The cost for the A-400 pin is \$7.00 and the Twenty Millionth Model A is \$6.00. This includes postage and handling. It is more economical for us to mail out larger quantities of these (4 or more) so keep this in mind when you order them. We are happy to mail out single ones as well. These make fun giveaways at your club meetings or a special little something for the Model A person in your life and it is a great way to support our Museum.

Please send a check made out to MAFFI enclosed with a list of what you would like to:
