President's Message

Happy New Year!

I hope everyone's new year is starting off well. The weather has been pretty nice and extended the driving season a bit. With the start of the new year it brings some changes to the club as well. At our meeting on January 26th we will be celebrating Nancy and Bob Hess for their dedication to the club over the years as our secretary and treasurer as they pass the torch on to the new appointees of those positions. Please join us and have cake and refreshments to celebrate them.

Your club president ,
Andy Dugan

Sunshine Report

Hoping everyone's year is off to a great start and that you have been able to get out and enjoy the unseasonably warm weather.

I am sad to share that Nancy Marcus' mother passed away this past Saturday on January 2, 2026. Nancy recently shared with me that her mother, who was 101 years old, lived in Minnesota, and until just a few years ago, had lived on her own on the family farm. A sympathy card has been sent to Nancy and Chuck on behalf of the club. Please keep their family in your thoughts and prayers at this sad and difficult time.

Tours 2026

Happy New Year

January- KC Restaurant week is January 9th- 18th. If you didn't contact me by January 3, it is too late. I made restaurant reservations on January 7 and the restaurant won't let me add people.

February 14th we take our sweeties to the Arabia Steamboat Museum. The museum is closing next November so I thought we should visit it one more time. We will meet at the museum at 10:00. The museum is at 400 Grand Blvd, Kansas City, MO. We will go to lunch at Garozzo's Ristorante- 526 Harrison Street, Kansas City, Missouri when we are finished at the museum. I will have a sign-up sheet at the next meeting or you can contact me if you want to go.

May/June - MAFCA National Convention- Pendleton, Oregon

October 10- 17- Route 66 in Illinois. Plans are being made for this tour. If you are interested in going Please contact me.

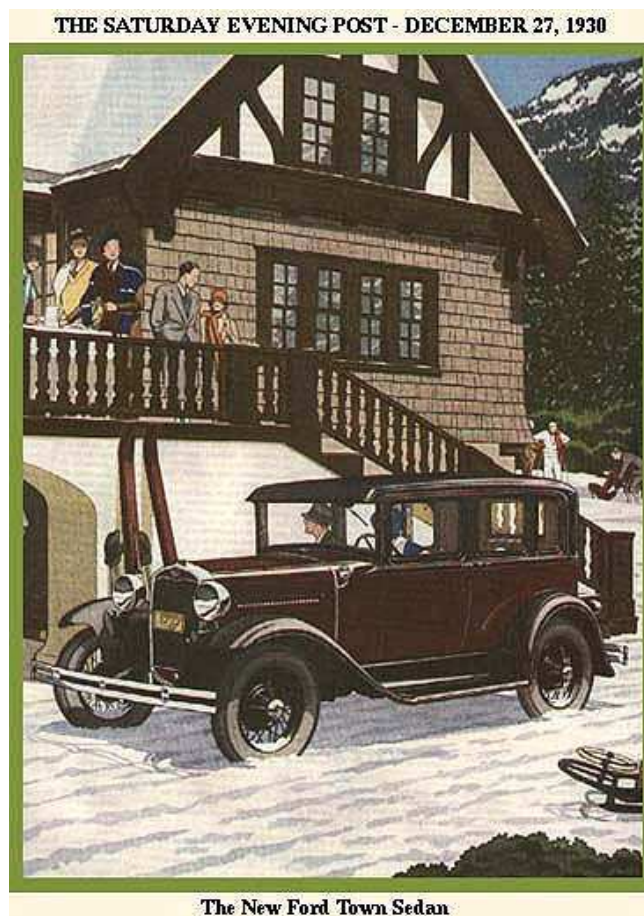

June 13-18, 2027- National Tour in Durango, CO

If you have suggestions for outings for 2026 Please let me know.

Blast from the Past - A reprint of an article written by former member Bob Craig from the May 1992 issue of *The Plain Dealer*.

MY MODEL A'S

by Bob Craig

I got my first Model A ... a 1930 Coupe ... in 1941 while still in college. About a year later I went to work for the U.S. Weather Bureau in Ft. Worth, Texas. That next year the Model A served me well ... many weekend trips home to Denton (35 miles, northeast) as well as to work and also to school at TCU for part of that summer.

That Model A came to grief in March 1943 when I tied at an intersection in Dallas with a fire chief who was probably late going home to dinner. At any rate he wasn't exhibiting emergency signals, just driving fast. I sure wanted to collect damages, but we don't "fight city hall" and win. Incidentally, when I went to Ft. Worth to work, my dad made me buy liability insurance ... \$17 per year! The insurance company told me to settle, for each party to fix his own car, after I got a letter from the city claiming that they couldn't be sued. I sold the car for \$35.

I have been interested in old cars at least since World War II, and maybe before, especially Model T Fords. In 1971 I finally realized that I had better get started if I was ever going to "get into old cars". My first venture was a nice original 1935 Chevrolet Master Deluxe Sport Sedan that I paid \$675 for. We drove that car many miles with the Horseless Carriage and Vintage Chevrolet clubs, the longest trips being to Colorado Springs and to Lake Itasca, Minnesota. The trip up Pikes Peak in this Chevy was much more difficult than in the Model A, 15 years later. It boiled all the way and almost gave up on the last switchback!

In the fall of 1983 when Jim Shanks was closing his museum at Union Station, I decided the Chevy's wood body was getting pretty creaky and it might be time for a change. I took it down to put in Jim's auction a couple of weeks early, with what I thought was a hefty reserve. Jim asked if I wanted to wait for the auction or should he sell it if he could. The next day he called and told me it was sold and to bring the title down! He still made me pay a whole month's rent for one day of storage!

While making idle chitchat, I mentioned to Shanks that I wouldn't mind having a '30 or '31 Model A Roadster, but I had watched them price themselves out of my range. Being the consummate salesperson that he is, he had me tour the museum with him and sure enough there was a black (I thought) drap-looking roadster that needed some detailing.

After a couple of days of soul-searching, dickering, and pleading with Vivian, I drove the roadster home. In sunlight we discovered that it was very dark brown instead of black and after having it striped and the wheels painted it didn't look as stodgy as I first thought.

That year (1983) the Metro Antique Auto Club and the Early V-8 Club had their Christmas parties together since both clubs needed help to fill a hall. Late arrivals at the party who sat across the table from us introduced themselves ... Bob and Joyce Swigert! He wasted no time getting me over to see his cars the next day and signing me up in the fledgling Plain Ol' A's and MAFCA.

Vivian and I made many trips in the Model A Roadster, seemingly usually in the rain: Lake Geneva with the Swigert's in 1985, Colorado Springs with a group of enthusiasts in 1991, and two one-week tours of Colorado and New Mexico after towing the Model A out there.

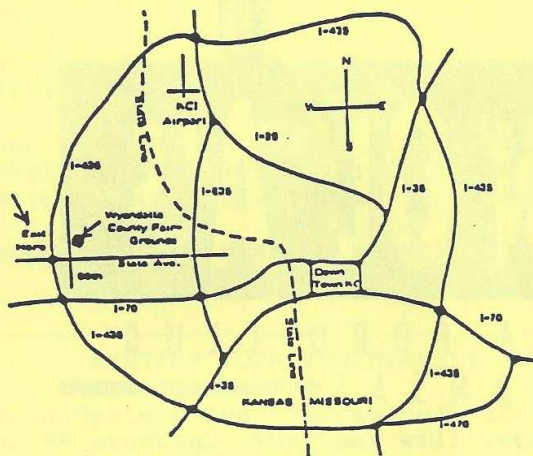

I never knew that there were as many things that could go wrong with a car as did during my eight years with that Model A, but apparently they all got fixed, or at least enough of them, and usually by me. There was only once that we didn't get home under our own power. A front wheel bearing froze and we had to be towed from Cameron, MO., my own fault, of course.

For several years we have been looking for a Model A Victoria (affordable) and finally we found one last December. Much as I hated to, I let the roadster be bought so now, hopefully, we are embarking on some less wind and rain blown touring. It will really take some doing to make it more enjoyable than our eight years and seventeen thousand miles in the roadster.

MAFFI Minute

December 2025

Happy Holiday Season, Model A'ers! Hope everyone is staying warm and that your cars are either tucked away for the winter or still enjoying the cooler air. I know I've been enjoying taking my A out in the snow.

Earlier this month, John Marshall, our Executive Director, sent out the Holiday Donation Letter, which is a great opportunity to stay involved by giving back to the museum. Don't forget that we also have a store where you can purchase MAFFI merchandise, located under the "Store" tab at maffi.org.

One of the coolest things about the museum is that it's constantly in motion. Dan Cargo and Jerry Dennany are always tinkering or moving cars around, with the help of the amazing volunteers from the Grape Country A's. If you visit the "Cameras" tab on maffi.org, you can see all the holiday decorations and even catch a glimpse of some of our newest additions.

The trustees also met in November to start shaping some exciting ideas for the museum. While it's a bit early to share details just yet, there are some great things in the works, and we're looking forward to unveiling more as plans come together in the months ahead.

Keep on motoring, and have a Happy New Year!

John Grossheim
Trustee and Secretary, MAFFI
