

Morso Squirrel Conversion Price List 2022

Item	Description	Unit Price £	Deck Flue Kit Price £	Total Price £
Bare Unit	Manufactured sub-assembly for conversion of multi-fuel to diesel 4.5KW - Suitable for Morso Squirrel Stove	900.00	193.20	1093.20
Morso Squirrel Upgrade	Manufactured sub-assembly fitted to Morso Squirrel base plate for conversion from multi fuel to diesel - 4.5KW	1086.00	193.20	1279.20
Morso Squirrel Diesel Stove	Complete Morso Squirrel Stove manufactured to run on diesel - 4.5KW	1878.00	193.20	2071.20

The above will require a deck flue kit due to running on diesel. This includes adaptor to fit current cast iron collar, extension chimney pipe and Lockgate downdraft cowl. Internal flue can remain mild steel pipe.

The kits are factory set to run on diesel using the Toby DVR land controller, they can be set to run on kerosene at no extra cost, please request when ordering. Off-shore controllers are available.

The Toby DVR land controller can be placed on either the right or left hand side of the stove (when looking at the stove window from the front) depending on preference. Please advise whether left or right hand is required at point of order.

Fitting is available, price on application. Prices include VAT.
