Any 2nd connections that click to attend will be invited to join your network

Client Feedback

“Linked Mondays provide a brilliant service that is a strong support arm to our business. We use Linked Mondays due to the speed and efficiency they have in navigating LinkedIn and Sales Navigator tools – delivering work in a matter of hours that would take our team days. Flexible and professional in approach, completely able to work autonomously and can be trusted to deliver and evaluate the results of their activity. We would highly recommend Linked Mondays!”

– Annie Spilsbury, Grasshopper Ant
