DUNCAN MILES

CHARACTER ASSESSMENT:

Duncan Miles

Harry's partner on the EuroTrade engagement, just as meticulous and instinctively suspicious here as he'll be four years later, and just as unaware of what that instinct will eventually cost him. Descent gives readers Duncan alive, sharp, and fully himself, which is exactly what makes his fate in Book 1 land harder.

KEY OBSERVATIONS (INVESTIGATOR NOTES):

- ✓ Methodical approach to investigation
- ✓ Identifies inconsistencies in shipping records
- ✓ Naturally questioning attitude
- ✓ Strong analytical skills
- ✓ Maintains close working relationship with Harry Burgh
- ✓ Valuable asset to EuroTrade investigation

→ Burgh sees the pattern.
Miles questions the details.

Partner to Burgh.
Extremely meticulous.
Suspicion appears instinctive.

Checks the details others overlook.
Does not accept convenient explanations.

Sharp observer.
Trusts his instincts.

Unaware of the larger implications.
Watch his conclusions.

Re: EuroTrade Engagement

Initial review suggests several inconsistencies in cargo declarations. Further analysis required.
