

Parish Responding to Concerns and Allegations Procedure

Parish of St Edburgha, Yardley. Agreed by the Parish Church Council on 09/07/2024

You have information about a serious safeguarding situation

If a child or adult is in immediate danger or requires immediate medical attention, call the emergency services on 999. If there are concerns about their immediate welfare, don't delay - call Children or Adult's Social Care Services.

Most situations are not emergencies.
Ensure if you can that immediate safety arrangements are in place for victim(s), and for others potentially vulnerable, with no contact with alleged abuser. Remember to protect yourself from harm too.

Immediately inform the Parish Safeguarding Co-ordinator or incumbent of your concern – or the Diocesan Safeguarding Officer if the concern is about one of these.

If you are unsure or worried about how serious a situation is, the Parish Safeguarding Coordinator or incumbent will contact the Diocesan Safeguarding Officer for guidance and reassurance – or contact the Diocesan Safeguarding Officer yourself, if the concern is about the Parish Safeguarding Co-ordinator or incumbent

Make a secure written or electronic record of the concern the same day and all your actions — sign and date it and pass it to the Parish Safeguarding Co-ordinator who will add subsequent information and actions and forward to the Diocesan Safeguarding Officer

If the information concerns actual or potential harm at a church activity or by a church officer or by someone attending a church activity, the Diocesan Safeguarding Officer MUST be informed within one working day

If you are advised to do so, refer to your Local Authority Children's Services or Adult Safeguarding Team or to the Police – the Parish Safeguarding Co-ordinator, incumbent or Diocesan Safeguarding Officer will usually do this

Maintain confidentiality – don't talk to others about it and never alert the person who may have caused the harm - BUT - look after yourself – debrief with your incumbent or your parish safeguarding co-ordinator, and ask for further support if you need it

Follow the advice of safeguarding professionals and co-operate fully with any investigation
