Rhythm Avenue follows the Central DeWitt school schedule.

- Late starts and scheduled early-outs do not affect Rhythm Avenue dance classes.
- To confirm whether classes have been canceled due to weather, please check:

PARENT WAITING POLICY

To help keep the number of people in the studio and building to a minimum, we ask that **parents remain outside** during class time, with the exception of our Tiny Tots classes. Please remain outside until a teacher comes out to let your child into class. With many dancers arriving and leaving throughout the day, transitions can become quite chaotic when everyone is coming in and out at the same time.

We do have an **open-door policy**, if you have a question, need to speak with a teacher, or your child needs you, please feel free to come inside. We simply ask that, when possible, parents remain outside during regular class time to help us keep the studio environment calm and organized.

Thank you for your patience, understanding, and cooperation as we work together to keep things running smoothly!
