

MEMBERSHIP RENEWAL and 2026 SUBURBAN ICE MACOMB SUMMER REGISTRATION

OSA Membership Renewal drive: Tuesday, May 5th through Monday, May 11th

All current OSA and U.S. Figure Skating memberships expire as of June 2026. Memberships must be renewed in order to register for the Summer Skating Contract. Membership applications are available online **ONLY!** For renewal, please visit www.onyxskatingacademy.com and click on the Entryeze membership logo.

SafeSport Compliance:

In 2018, as a part of its SafeSport program, U.S. Figure Skating announced it has expanded the list of adults required to complete SafeSport training and background checks for each membership year. This will affect members and volunteers, over the age of 18, who are in a position of authority over an athlete or anyone who has frequent contact with athletes. This includes all volunteers in any sanctioned events or club events. This is not an OSA mandated program, it comes from U.S. Figure Skating! In order for our club to stay SafeSport compliant, we are requiring all parent volunteers to complete this training. **SafeSport training and/or refresher courses must be completed every year.** Background Checks are valid for the season in which a determination is issued and the following season with a 12 month automatic recheck.

If you have questions, please email SafeSport@usfigureskating.org, or contact Member Services at memberservices@usfigureskating.org or call 719.635.5200. The OSA SafeSport Compliance Chairperson is Jessie Niespolo. She can be reached at jessieniespolo@gmail.com.

Seniority Numbers: Seniority numbers were assigned on July 1, 2025, to all members for the 2025-2026 membership year. A new seniority number will be issued on July 1 for the 2026-2027 membership season. That seniority number will be issued for the 2026 Summer Contract Registration and the 2026-2027 FWS skating season.

Payments: Summer Contracts may be split into two payments with 50% due at the time of registration and the remaining 50% due on or before **July 10th**. Payments may be made with cash or check (made payable to **Suburban Ice Macomb**), ACH or credit/debit card. If using a credit or debit card, you will automatically be enrolled in Auto Pay. Payment two will automatically come out on **July 10th**. **All contracts totaling under \$375 must be paid in full at registration.** Returned checks are subject to a \$40 NSF fee. It is very important that payments be made on time, otherwise ice privileges may be suspended at the discretion of **Suburban Ice Macomb**. **Payments one week late will be subject to a \$25 late fee.** For OSA members who choose not to contract for the Summer, you may purchase drop in passe for \$17 per on ice session if there is space available.

Ice Time Changes: Changes to the summer contract will only be allowed until **Friday, June 26th** with a fee of \$15. After this date, there will be no changes allowed under any circumstances. There will be no deletions to the summer contract once the season has begun.

Registration: Monday, May 18th through Tuesday, May 26th

Each session has 24 available spots. If a session should fill up, there is a wait list. Please have a "back up plan" in case. Any registrations received after **May 26th** will be processed on a first-come, first-serve basis. Registration forms and payment must be turned in at the arena front desk during the registration window listed above. Please double check arena office hours prior to handing in contracts. No contracts will be accepted prior to May 18, 2026.

Maria has extensive training in ballet, studying at WMU, WSU and Broadway Dance Center in New York, under Finus Jhung. She has over 30 years of experience on and off the ice with developmental to World level competitors, providing movement instruction, flexibility and artistic development of programs. She has coached Regional, Sectional, Junior National and National Gold Medalists. Pilates Certified. Coaching: All ages and levels of Freestyle, MIF(Skills), Pairs and Ballet.

Ballet benefits figure skaters because it builds the exact physical foundations the sport demands: control, alignment, balance, and artistry.

Ballet trains precise posture and core engagement, which translates directly to cleaner jumps, more stable landings, and better edge control on the ice. The emphasis on turnout, hip strength, and ankle stability also improves rotational control and helps reduce injury risk during spins and jumps.

Beyond the physical, ballet sharpens musicality and expression-helping skaters move with intention rather than just executing elements. It teaches body awareness in space, which makes transitions between elements smoother and programs more visually cohesive. In short, ballet turns technical skating into performance-quality skating by strengthening both mechanics and presentation.
