- If a parent/adult family member does not sign up for a job or does not show up for a job, the skater will not be able to participate in future ice shows.
- Volunteer sign-up will be online at EntryEeze and will begin at least one month prior to the show dates.
- **Please only sign up for one job!** Extra jobs will be made available after all parents have signed up.
- We will need parents to help with advance preparation. These opportunities will be shared as they become available.
- **This parent ice show volunteer requirement does NOT satisfy OSA service hour requirements.**
- As part of its SafeSport Program, U.S. Figure Skating announced it has expanded the list of adults required to complete SafeSport training and background checks for the 2026-27 membership year. This will affect members and volunteers, over the age of 18, who are in a position of authority over an athlete or anyone who has frequent contact with athletes. **This includes all volunteers in any sanctioned events or club activities who come in contact with athletes, including backstage and locker room volunteers for all ice shows and club events. This is not an OSA mandated program; it comes from US Figure Skating!** For our club to stay Safesport compliant, we are **requiring** all parent volunteers who wish to work backstage, to complete this training and background check. If you do not wish to pay the $30.00 fee for the background check, there will be **MULTIPLE** other jobs to choose from. **If you elect not to pay and complete the background check and SafeSport training, you will not be allowed backstage for any reason and any backstage position** (*locker room parent, security, skater check-in*) **will not be eligible for you to select as your volunteer requirement. OSA members, to determine if you are currently compliant, please check the membership site under the 'volunteer' tab.**
