- **Current Membership Parents:**

  - Click on the Volunteer Tab (at the top of the screen)
  - Select 'Elemental' Ice show 2026
  - Select a job
- A parent **MUST** volunteer for at least one job during the weekend of the show. If you do not sign up for a job, one will be assigned to you.
- This volunteer requirement **does not** count towards OSA club service hours.
- **After everyone has had the opportunity to select a job, you may log back in to select a second job to use towards OSA hours. If you initially choose more than one job, one will be deleted for you by the Ice Show Committee.** You will be notified when additional jobs can be selected.
- All volunteers must check in at the table near the arena trophy case for your name badge and job assignment. Please note: You **DO NOT** need to purchase a ticket for the show that you are working.
- **Volunteering for a show does not guarantee you a chance to actually watch that show.** You are to remain at your assigned post for the entire duration of the show unless otherwise noted.
- As part of its SafeSport Program, U.S. Figure Skating announced it has expanded the list of adults required to complete SafeSport training and background checks. This will affect members and volunteers, over the age of 18, who are in a position of authority over an athlete or anyone who has frequent contact with athletes. This includes all volunteers in any sanctioned events or club activities who come in contact with athletes, **including backstage and locker room volunteers** for all ice shows and club events. **This is not an OSA mandated program; it comes from US Figure Skating!** For our club to stay SafeSport compliant, we are requiring all parent volunteers who wish to work backstage, to complete this training and background check. If you do not wish to pay the fee for the background check, there will be **MULTIPLE** other jobs to choose from. **If you elect not to pay and complete the background check and SafeSport training, you will not be allowed backstage for any reason and any backstage position (locker room parent, security, skater check-in) will not be eligible for you to select as your volunteer requirement. \*OSA members, to determine if you are currently compliant, please check the OSA membership site under the 'volunteer' tab.**
- **GRADUATING SENIORS:** If families do not have at least 60% service hour completion by January of the membership year, they will be considered not in good standing with the club. This means, no testing, competing in single or high school competitions, ice show participation, etc. The Service Hour Chair will contact each senior with less than 60% of their hours. The expectation will be that they will complete their remaining four hours by the end of the season (provide a get-well plan) or buy out their hours to avoid being put in bad standing with the club.

## ICE SHOW COSTUMES & APPAREL:

- Costumes and Ice Show Apparel will be distributed in the Ballet Room during the following times:
  - **March 2<sup>nd</sup>: 2:30-6:00 PM**
  - **March 3<sup>rd</sup>: 2:30-6:00 PM**
- **All costumes must be signed out when distributed. If you have someone else pick up your costume(s) and signs, they then become responsible for them.**
- Please try the costume on your skater before picture day (**March 21<sup>st</sup>**) to make sure that it fits properly.
- **The Ice Show Director will not be responsible for the cost of alterations required based on incorrect measurements on the skater's 2026 Ice Show Application.**
- All skaters are required to wear the light-tan mondor footed tights (style #3310) in the show. No exceptions. Tights can be purchased on Amazon or locally at dance and skate shops. Tights will be needed for picture day, **so please order ASAP.**
